

N O T I C E

In consultation with the President and other office bearers of the Bar Association, it has been decided to start in a phased manner the filing of the cases along with soft copies i.e. with Pen Drive, DVD, CD in digitally signed PDF format. It has been decided that at the first instance w.e.f. 1.3.2013 all Tax and Company matters, which are accompanied with soft copies will be listed for hearing as per the present practice next day, but the cases, which are not accompanied with soft copies will be listed after a gap of one working day so that the same could be scanned.

Therefore, the members of the Bar are requested to present soft copies of the Tax and Company matters, in the following manner:-

- i) The Pen Drive, DVD, CD should contain a digitally signed PDF file either by the counsel filing the petition or by the petitioner himself.
- ii) The counsel or the petitioner shall certify that the soft copy is the same as the Hard copy. In this regard, an additional note at the foot of the index shall be given by the petitioner/ counsel.
- iii) The signed copy should be in a single file. It should be ensured that the Pen Drive, DVD, CD is virus free.
- iv) In case, the Registry raises objections, the file will be required to be resubmitted after removal of such objections, in the above manner only.

NOTE
-.-.-

On the Resolution of the Bar, Hon'ble The Chief Justice
has been pleased to pass the following orders:-

" It is decided that in all civil and criminal matters, the formal applications such as applications to seek exemption from filing certified copies; from filing original or translated documents; to place on record documents; or any other formal relief shall not be required to be filed separately. It would be sufficient to seek relief specifically in respect of such matters in the prayer clause of main petition supported by affidavit of main petition.

However, the separate applications to seek statutory relief such as to seek condonation of delay, interim injunction, for stay of decree or order and of additional evidence; to implead legal representative; suspension of sentence etc. would be required to be filed."

Advocates/ Parties are requested to file their Petition(s)
in accordance with the above said guidelines.

NOTICE

While deciding CWP No.15987 of 2013, Hon'ble 1st Division Bench passed the following orders on 26.07.2013.

- 1.The petitioners have styled the present writ petition as a Public Interest Litigation (PIL), aggrieved by alleged illegal encroachment by the occupants of the shops located in Old Grain Market under limits of the Municipal Council, Sunam. The petitioners obtained information under the Right to Information Act, but thereafter have not made any representation to the concerned authorities to take remedial action and have straightaway filed the PIL.
- 2.We are, thus, of the view that petitioners ought to have first approached the concerned authorities with a representation and on failure to take action only could have approached the Court for redressal of the grievance.
- 3.We have also perused the Maintainability of Public Interest Litigation Rules, 2010, which have laid down the guidelines for entertaining a public interest petition. The nature of grievance set out in the petition does not fall within the defined Clauses of Para-6 where a PIL may be ordinarily entertained. In fact, the present nature of grievance, a cause on which many PILs are filed, is really in the nature of allegations against the municipal authorities for failure to perform their statutory duties and that should be the style of the petition.
- 4.The other aspect we want to emphasis is that the petitioner has to specifically disclose his credentials and his direct or indirect personal motive or interest involved in the case, if any, by way of an affidavit. The expression "specifically disclose his credentials" must, naturally, imply that he has to set forth what he does for his living, what public interest he has been espousing, the work done by him in that behalf, the particulars of any matter preferred by him as PIL earlier on which the Court has passed orders, etc. It cannot imply merely writing a sentence that a person is residing in the State, is public-spirited and is, thus, filing a PIL.
- 5.We, thus, direct that the Registry must ensure strict compliance with these rules and will return petitions styled as PIL with objection(s) unless these parameters are specified. In fact, there is a mandate on the Registry as per Clause-7 of the said Rules to verify the antecedents of the persons, Societies or Associations who invoke jurisdiction on the cause of public interest and, if the are not satisfied with the antecedents, to return the petition.
- 6.We are emphasising the aforesaid aspects because we find that we are inundated with PILS which truly are not PILs in the sense the concept is envisaged. They are either personal angst, someone reading a newspaper and annexing a copy of the newspaper making it a cause, making general allegations without any research about the subject or persons who have really no experience or exposure about the subject matter sought to be raised. These are, in fact, purely publicity interest litigations rather than PILs wasting judicial time.
- 7.We, thus, dismiss the PIL with aforesaid directions to the Registry."

All the Hon'ble Members of the Bar and litigants are informed that the Public Interest Litigation must be in consonance with maintainability of Public Interest Litigation Rules, 2010 as emphasized by Hon'ble 1st Division Bench in the above said case,failing which an objection will be raised by the registry.
