Chandigarh University.....

Chandigarh University (CU) is a leading Indian Institution offering its students a unique amalgamation of professional and academic excellence. Ranked among Asia's best and fastest growing universities, CU has coupled the experience of top industry leaders and renowned academicians to foster a pragmatic approach.

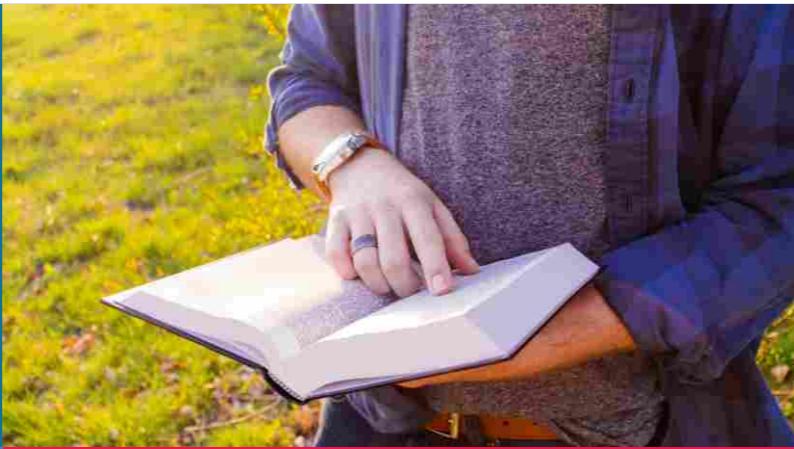

- The name of the university is inspired from The City Beautiful – Chandigarh, known as epitome of cultural heritage and urbanization.
- CU offers unique and inspirational academic model designed to match the international standards. Wide spectrum of programs are paired with flexibility, experiential learning and interdisciplinary orientation.
- CU is involved in world-class research, with outstanding results in the latest Research excellence framework.
- CU has a dynamic academician fraternity drawn from top institutions nationally and internationally. CU offers most conducive student-faculty ratio attaining 85 percent student satisfaction.
- CU provides global perspective to its graduates, to facilitate our students with global learning opportunities, CU has partnered with more than 170 top ranked universities worldwide.
- Around 61% of our students come from 29 Indian states, 5 U.Ts and 35 Nations, creating a cosmopolitan, friendly and inclusive atmosphere.
- As a student-centric university, CU provides optimal learning experiences and services that lead to student success. We empower our students to take responsibility for their academic work, social life and career development.
- CU has state-of- the- art technology integrated into every area of the university. From in-house designed and implemented university information management system (UIMS) to high speed internet access all around campus, we are driven by technology.
- CU is a not-for-profit university that is underpinned by the ethical professional governance, involving the students and staff in creation of healthy vibrant and sustainable society.

Welcome Note from Chancellor

Chandigarh Group has been envisioned to make a difference to the professional and higher education in the region. In the last 16 years, we have been able to garner the support, trust and appreciation of all the stakeholder, thus making us one of India's most reputed and preferred education institution.

Adjudged as Asia's Best and Fastest Growing Private University, CU has earned top rankings in terms of academic quality, diversity and environmental stability. Flexible academic model extends learning at CU far beyond the classroom and this vibrant and competitive environment has motivated us to nurture knowledgeable, inspired and industry ready professionals.

CU has committed itself to upholding the values we cherish as an academic institution, and to foster an atmosphere that is respectful, supportive and welcoming to all. The diversity of our backgrounds, talents and perspectives will continue to enrich us all as we live and learn together.

The University provides countless avenues for you to get involved and make lifelong connections with each other, such as through research and creative projects, campus organizations, intercollegiate sports, volunteer work in our community, and much more. I encourage you to take advantage of all that Chandigarh University has to offer during your time here.

"On behalf of Chandigarh University community, it brings me great joy to welcome freshmen to the 2018-19 academic year. We are proud to have you as part of Chandigarh University family and extend my warm wishes for a successful stay at the campus that can direct you on the path of a prosperous professional career."

SATNAM SINGH SANDHU
Chancellor

"University is an invigorating journey that allows you to grow and progress for the future-and there is no better place to do this than CU. University has marked 2018 as a year of student and faculty delight and our sole aim is to make university an unsurpassable place to study."

Chandigarh- The City Beautiful

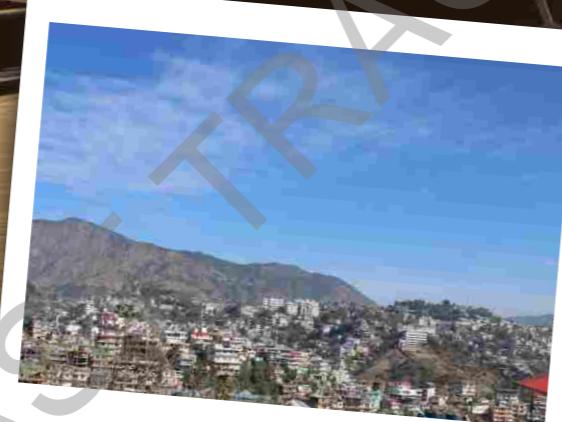

Chandigarh University is located on the outskirts of The City Beautiful – Chandigarh, thus offering its students a combination of city life and country side serene environment.

Chandigarh is a young –at-heart city that has been ranked as the most perfect city in the world by BBC. There is plenty to do in Chandigarh to keep yourself stimulated. The historic and modern stand side-by- side in Chandigarh, which boasts stunning architecture and an abundance of attractions. From gleaming shopping malls, to world renowned architectural masterpieces, Chandigarh is an inspiring destination.

Explore

You can engulf yourself in the rare epitome of modernization and architectural wonder at Chandigarh. From world heritage site in capitol complex to world renowned Rock Garden you have so much to explore in the city.

Travel

Chandigarh is in foothills of Shivalik Range, which means you can visit quiet and mesmerizing hill stations such as Shimla, Kasauli and Solan. Perfect for a weekend getaway to rejuvenate yourself.

Business

Chandigarh has become a hub of IT and Service Industry. It is also a great place to start your own business. Numerous opportunities are available for young professionals such as plug n play facilities in a state of the art environment friendly and an intelligent building

Culture

City is known to preserve the diverse cultures that came from different cities and regions. Art museum, Tagore theatre and regular festivals celebrate the culture and heritage.

Well-connected

Chandigarh is well connected via road, rail and recently built International airport connects the city to the world. Wide, well maintained roads and parking spaces all over the city ease local transport.

Shop

Chandigarh is a shopper's paradise. It is considered to be one of the best places to shop, especially when it comes to shopping for handicrafts. This city has something to offer for all kinds of shoppers, be it a street shopper with consideration for budget or a lover of handmade goods or shoppers who look for elite brands.

Exceptional Student Experience...

At CU you will find a unique campus lifestyle. Set against the backdrop of a picturesque and bustling campus, you will meet a diverse range of people and enjoy some amazing new experiences.

Get Involved ...

Chandigarh University (CU) houses exceptional students who are equally passionate to academics as well as extra-curricular activities. To hoard their areas of interest, we have maintained number of clubs and societies in the campus itself. These Clubs and Societies are an integral part of Student Life that adds quality to the life of a passionate student. From academic-based to sports and social clubs and societies, CU is pleased to support them all.

Beyond the Classroom –

There is so much to explore and participate to show case your talent and unfold your passion at CU, Cultural festival - CUFest, Talent hunt - Pratibha, Literary fest- Abhivyakti, Teclnvent – National technical Fest, Innovation Day – Promoting Innovation among students, Evoke – Youth Summit, Effectus – Start Up & Entrepreneurship Event and many more. These regular events serve as a platform to showcase hidden talents and be a part of community.

Open Communication

We believe that the path to successful educational experience starts with open communication and feedback. CU is a student centric university that means key responsibilities are being aptly handled by the community.

Students are encouraged to put forward their fair opinions that can make CU a better place. Our robust online (through the website or UIMS) and offline (through suggestion boxes placed in different departments) feedback mechanism can be easily accessed by students.

Student Welfare...

Department of Student Welfare (DSW) is a student care and supervision center that serves as a liaison between students and administration. The most distinguished feature of CU's Student Care Centre (SCC) is the availability of timely – within 24 hours and single-spot solutions.

Students can approach SCC (located in each academic block) in case of any problem related the administration and student services. DSW provides a favorable environment to fulfill students' academic and extra-curricular needs and stand devoted to ensure their success.

Stay Healthy & Fit...

Nothing is more worth than a healthy body. Sports and games are an essential part of an individual's life, contributing in enhancing the quality of life.

Understanding the importance of sports, Chandigarh University promotes the sports activities and ensures the student participation. The university organizes inter university and inter college/department events that foster team spirit among the participants and make them disciplined. The university provides fully equipped gyms in boy's hostel and girl's hostel as well.

Health Center...

The CU Health Centre is devoted to providing excellent medical, counselling and related services to students. The Centre aims to provide services that are affordable, accessible and of high quality.

Industrial Visits...

Industrial visits sensitize students to the real-time challenges that organizations face in the business world. It is considered as a strategic way of inculcating knowledge by bringing them across the on-going employment practices. With an aim to go beyond academics, visiting a company gives a practical perspective opposite to theoretical knowledge.

Excursion Trips...

Excursion Trip enhances students' learning experience by providing them with opportunities to participate in curriculum-related activities conducted away from the normal college routine. Chandigarh University's excursion trips are an influential part of the curriculum, giving significant meaning to the education. These trips are well planned, developing qualities of self-confidence and leadership amongst students.

Smoke-Free Campus...

CU is proud to be a completely smoke-free campus. This means that smoking is not permitted on any University grounds. The University promotes healthy lifestyles and has adopted this policy to ensure that all staff, students and visitors can experience a healthy, smoke-free environment.

Institutes at **Chandigarh University**

Chandigarh University has 17 Institutes offering more than 100 contemporary graduate, post graduate and doctorate courses.

Your Benefits

- Worldwide accepted academic system offers great flexibility compared with the conventional way of teaching and learning process. In an ideal choice based credit system, the student has the freedom to choose number of courses offered in a semester. Performance based grading helps future employers to understand and infer the performance of students.
- For Practical work experience, many courses incorporate a year in industry, and our placement office is here to help you secure your ideal role.
- A range of assessment and feedback methods to improve your learning and prepare you for future success.
- Employability skills, enterprise and practice based project work built into the curriculum, giving you hands-on experience of the sort of careers you may wish to enter.
- An international perspective on your subject, including the opportunity to study abroad for those who want to.
- Professional accreditation from relevant industry and professional bodies, where available.
- Optional modules so you can tailor your study to your own interests and career aspirations – including modules from different subject areas where appropriate.
- Online learning and teaching to support your studies. You can also gain further experience during your time as a student by volunteering intern work at various academic and non-academic departments.

Studying at Chandigarh University will give you more than a degree – it will provide practical skills and experience which you can apply to your future career.

Research- Intensive University

At Chandigarh University, research is at the core of our approach to teaching and learning, and keeps our courses contemporary, relevant and cutting edge.

The resources and research opportunities available to our students contribute a great deal to their success. CU is working closely with more than 50 departmental research groups that support and promote discovery, inquiry and creativity based opportunities. The University Center for Research and Development (UCRD) is fully devoted to coordinating and encouraging research and consultancy activities among students. Apart from providing financial support to the students our research faculty both nationally and internationally help you hone the skills that are vital to success as a researcher.

From scientific experiments to the project experimentation, CU accords its students to get involved in research that offers hands-on experience. The University has collaborated with leading universities and renowned institutes across the world. Students along with faculty are involved in exciting and interesting projects in the thrust areas like advanced materials, biomedical engineering, clean energy and environment, computational biology, intelligent systems, micro-nanotechnology, wireless and broadband communication to name a few.

Key Areas of Intellectual pursuit

Predicting and Preventing Epidemics (PPE) like Swine Flu, Ebola etc.

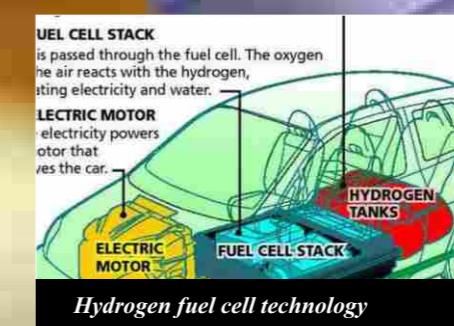

Assisted Oxidative Detoxification of Pollutants

Waste Water Treatment Using Argo-Waste

Biodegradation of Polymer Materials

Hydrogen fuel cell technology

Alternative Fuels for Automobiles

Innovation that Inspires

In-the fast -changing world of science and technology, if you're not innovating, you're falling behind. The University provides a platform for the students and faculty members to share their innovative ideas and in turn for the betterment of the society by providing them with infrastructure to transform their ideas into products and services.

The university has created various platforms which ensure our students have right start to transform their ideas to enterprise:

ABDUL KALAM INNOVATION CONCLAVE:

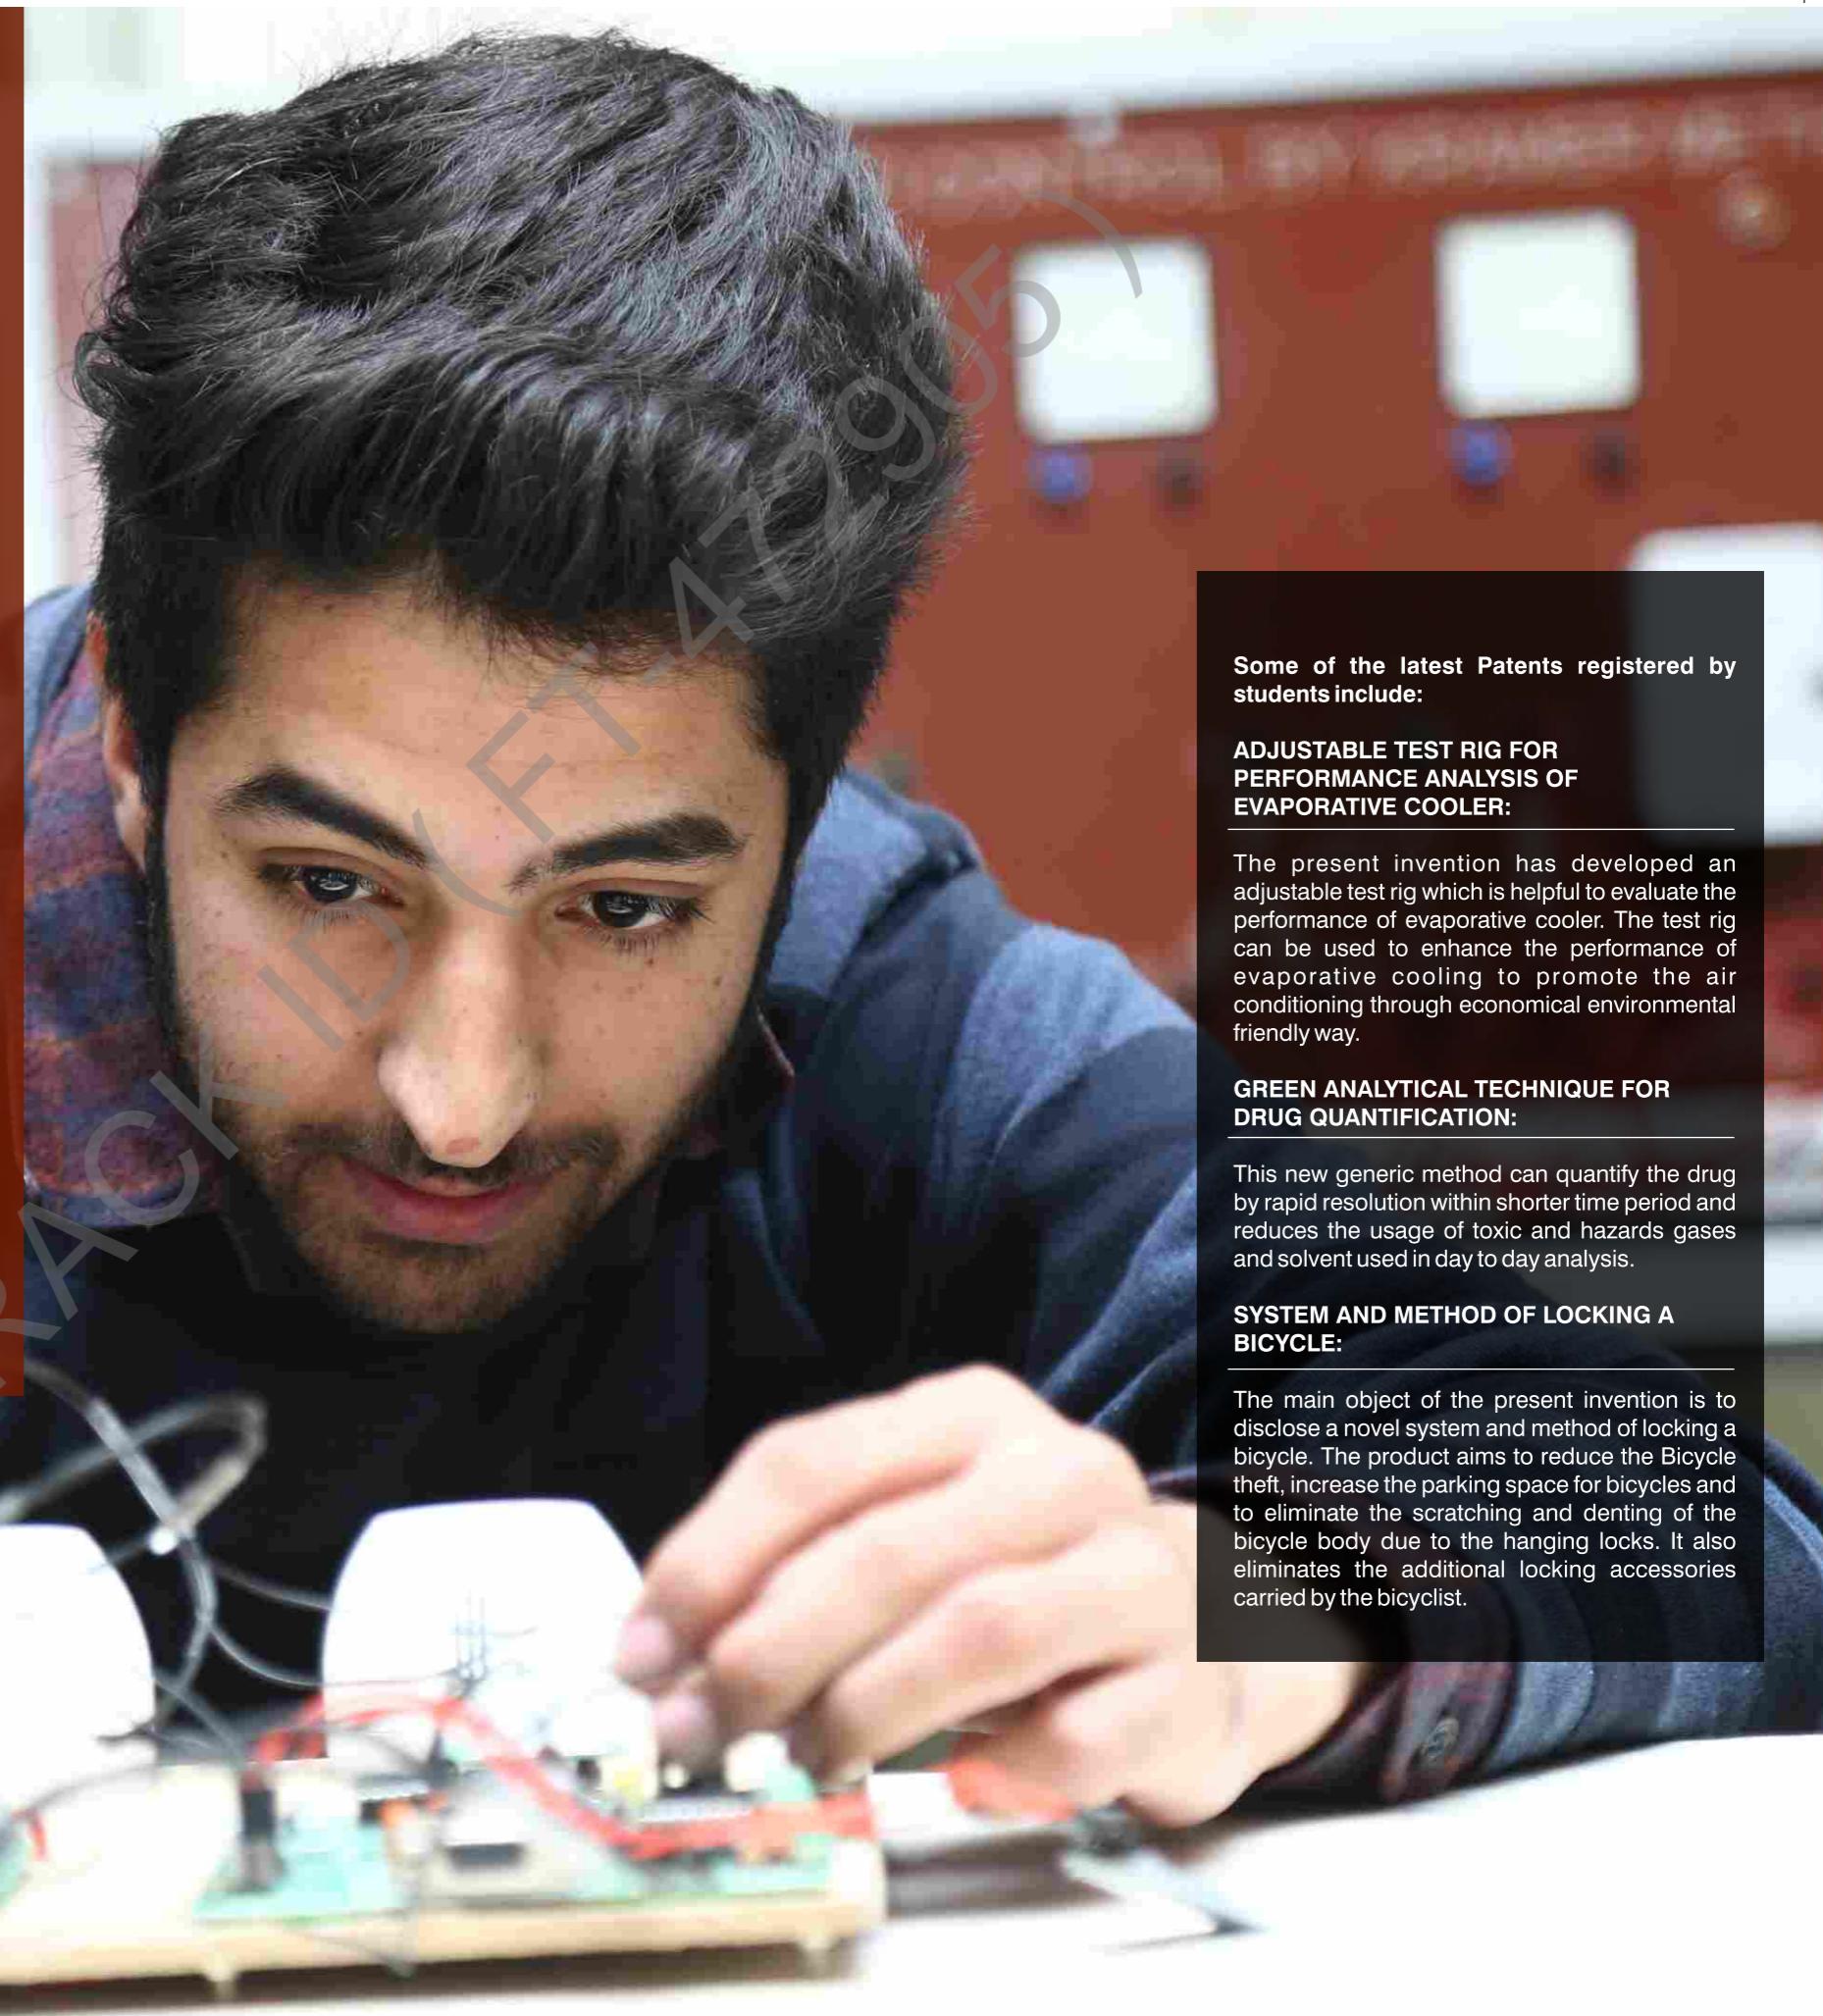

To create an environment of innovation through the spirit of competition and freedom to explore an annual event is organized to promote and nurture innovative ideas. So far more than 1300 ideas have been registered under this initiative and 50+ have been successfully patented.

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CELL (IEDC) -

Innovation and Entrepreneurship Development Cell provides a platform for the students and faculty members with innovative ideas for the betterment of the society by providing them with infrastructure, financial support and mentoring to transform their ideas into products and services.

INTELLECTUAL PROPERTY RIGHTS CELL:

Keeping the present scenario in mind where intellectual property rights are being increasingly linked to innovation and creativity, the University has established exclusive cell to encourage the spirit of innovation amongst its staff and students. The cell covers industrial property viz. patents, designs, copyright, trademarks, besides, addressing issues relating to sponsored projects/ setting up of ventures by staff and students.

Some of the latest Patents registered by students include:

ADJUSTABLE TEST RIG FOR PERFORMANCE ANALYSIS OF EVAPORATIVE COOLER:

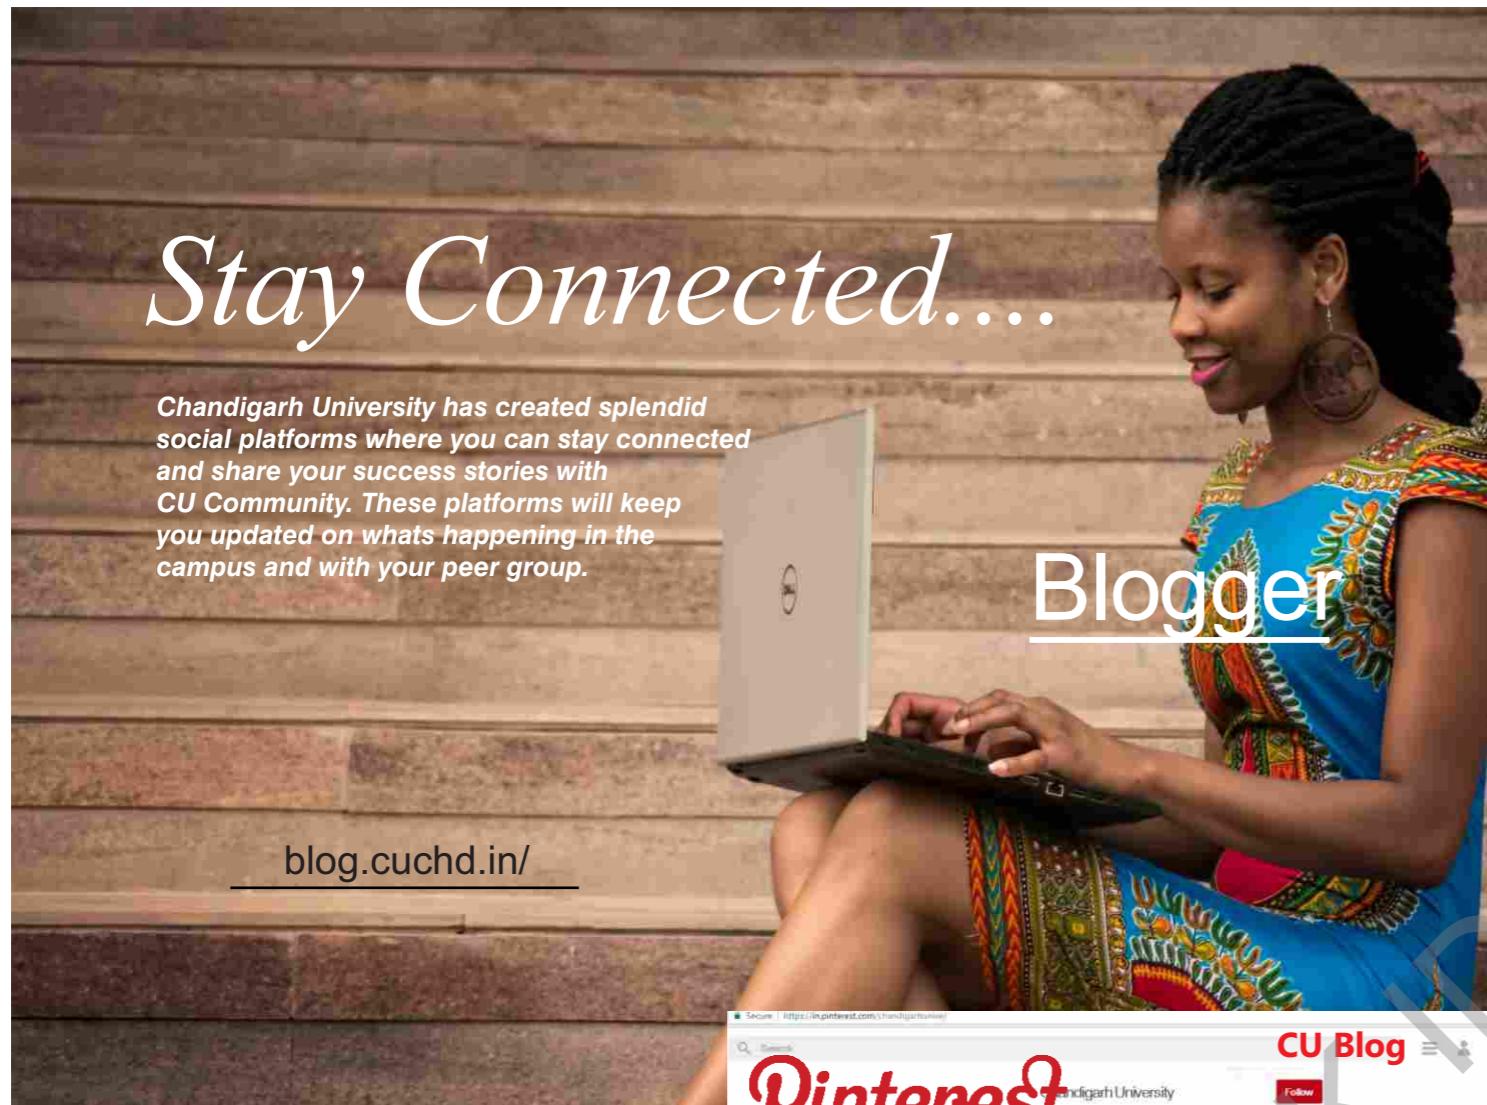

The present invention has developed an adjustable test rig which is helpful to evaluate the performance of evaporative cooler. The test rig can be used to enhance the performance of evaporative cooling to promote the air conditioning through economical environmental friendly way.

GREEN ANALYTICAL TECHNIQUE FOR DRUG QUANTIFICATION:

This new generic method can quantify the drug by rapid resolution within shorter time period and reduces the usage of toxic and hazards gases and solvent used in day to day analysis.

SYSTEM AND METHOD OF LOCKING A BICYCLE:

The main object of the present invention is to disclose a novel system and method of locking a bicycle. The product aims to reduce the Bicycle theft, increase the parking space for bicycles and to eliminate the scratching and denting of the bicycle body due to the hanging locks. It also eliminates the additional locking accessories carried by the bicyclist.

Legal Aid Camp in collaboration with District Legal Service Authority- #Students of #UILS will spread awareness on different aspects of #law

LEGAL AID CAMP
IN COLLABORATION WITH DISTRICT LEGAL SERVICE AUTHORITY MOHALI

CYBER CRIME

Cyber crime is an unlawful act by the law and any student found indulging in any kind of online illegal activity like usage of University logo or writing inappropriate comments on social media will not be entertained.

Cyber-Stalking, Dissemination of obscene material, Defamation, Hacking, Cracking, E-Mail spoofing, SMS Spoofing, carding, Cheating and fraud, Pornography, Assault by threat, Intellectual Property crimes, Cyber squatting, Cyber Vandalism, Transmitting Virus, Cyber trespass, Cyber Terrorism, Cyber warfare, possession of Unauthorized Information or any other similar activity, shall be punished as per provision of section 66-A of Information Technology Act, 2008 and may be punished with imprisonment of upto 3 years with fine under the court of Law.

University has the right to take strict disciplinary actions, including expulsion from classes, University or Hostel

University Information Management System (CU-UIMS)

University Information Management System (UIMS) is an independent database system and an in-house web based ERP solution providing detailed knowledge of the academic and administrative activities of the university. The students, teachers and parents are provided with authentication to access UIMS that keeps them updated with the day-to-day activities and forthcoming events of the University.

HOW TO ACCESS UIMS

To access UIMS, a user needs latest browser and internet connectivity. They have the option to login the database using university's network called In-campus Login and from outside network called Out-Campus Login. A user needs a valid User ID and Password to access.

For In-Campus and Out-Campus Login, the URLs are-

- <http://www.cuims.in>
- <http://172.19.2.100/uims>

USER ID AND PASSWORD

For Students

- They have to use their UID as a Username and Password (provided at the time of admission).
- They can change the password at the time of first login.

For Parents:

- They have to prefix alphabet "P" (without quote) with the UID of their child and the same can be used as a password. For example- If the UID of student is 14BBA1021, then the parent will use P14BBA1021 as a User ID and Password.
- Parents can check their wards attendance, result and university events and activities on the portal.

FAQs

- Q. How will I get my UID User ID and Password?**
- A. The UID User ID and Password can be collected from the Student Care Centre after 2-3 days of joining.
- Q. What in case I want to change my Password? or What in case, I forgot the Password?**
- A. A written request should be given to the student care center and the new password is generated in a day, it can be collected from Student Care Center.
- Q. How can I access my request status and how much time it takes to resolve any issue?**
- A. Students can access the status under student interface after 24 hours of putting in a request.

HOW CU-UIMS CAN ASSIST YOU

- **Basic Profile-** User has authority to edit his/her basic profile (i.e. Name, Photo, Personal Details etc.).
- **My Courses-** It includes Program Details of course like subjects in a particular semester, subject codes etc.
- **My Attendance-** Offers transparent in-sight to parent and student to the Daily Attendance marked by the teacher
- **My Timetable-** Students can view their daily timetable in this.
- **Resource Library-** It is a digital library through which students can access the e-books.
- **CU Live-** It is university's official online video channel showing videos of various events undertaken at the university.
- **Request Management System (RSM) -** Student or parent can make a request regarding the complaint through this service. The relevant department settles this complaint.
- **Campus Announcements-** Update of routine activities and general announcements can be viewed through this feature.
- **Upcoming Events-** Students will get a detailed summary of university events and department's events here.
- **My Messages-** Students and Parents get on-portal messages from various departments and teachers.
- **Notification-** Various departments generate notifications regarding MSTs, Quiz's and Online Test.
- **Feedback Form-** Student or parents can give their Suggestions/ Complaint/ Feedback on various parameters through this tool, which are forwarded to the respective department for resolution.
- **Fee Summary-** Detail of the student's paid and pending fees can be checked from the portal.
- **My Result-** Academic result of the semester can be viewed by the student and parent here

The resources you need....

At Chandigarh University your learning needs are our top priority. In addition to high-quality facilities specific to your course, you will find a range of general learning resources which provide you with all the help you need to succeed.

Knowledge Resource Centre (Library)

The Knowledge Resource Centre of Chandigarh University consists of a Central Library & Eight libraries situated in different Academic Blocks. Along with a rich collection of more than **80000 Books** and **1.5 Lakhs of e-books** both students and faculty are given access to **18000+ e-journals**.

Each library has a Digital Unit to provide access to the digital resources and has maintained 12 electronic data bases. Institutional membership of DELNET & British

Council Library offer on-demand books and articles to both students and faculty. The whole collection of the library has been bar-coded and the OPAC can be accessed online.

To conduct research and advanced reading, CU libraries have access to e-journals and databases like ASME, IEEE, EMERLD, EBSCO, ASCE, ASTM, McGraw Hill, J-Gate, ELSEVIER, MANUPATRA & WESTLAW INDIA. The libraries give easy access to several web based video courses, prepared by the scholars and faculties of leading institutes of the country. These repositories are directed towards reducing any geographical barriers and ensuring that highly evolved learning environment can flourish under the umbrella of the University.

Resource Library

The class room teaching material including PPTs used by the teachers in the class rooms are made available to the students through their UIMS page as also through the link <http://172.19.2.100/uims/>. The students can access this material at all times (24x7).

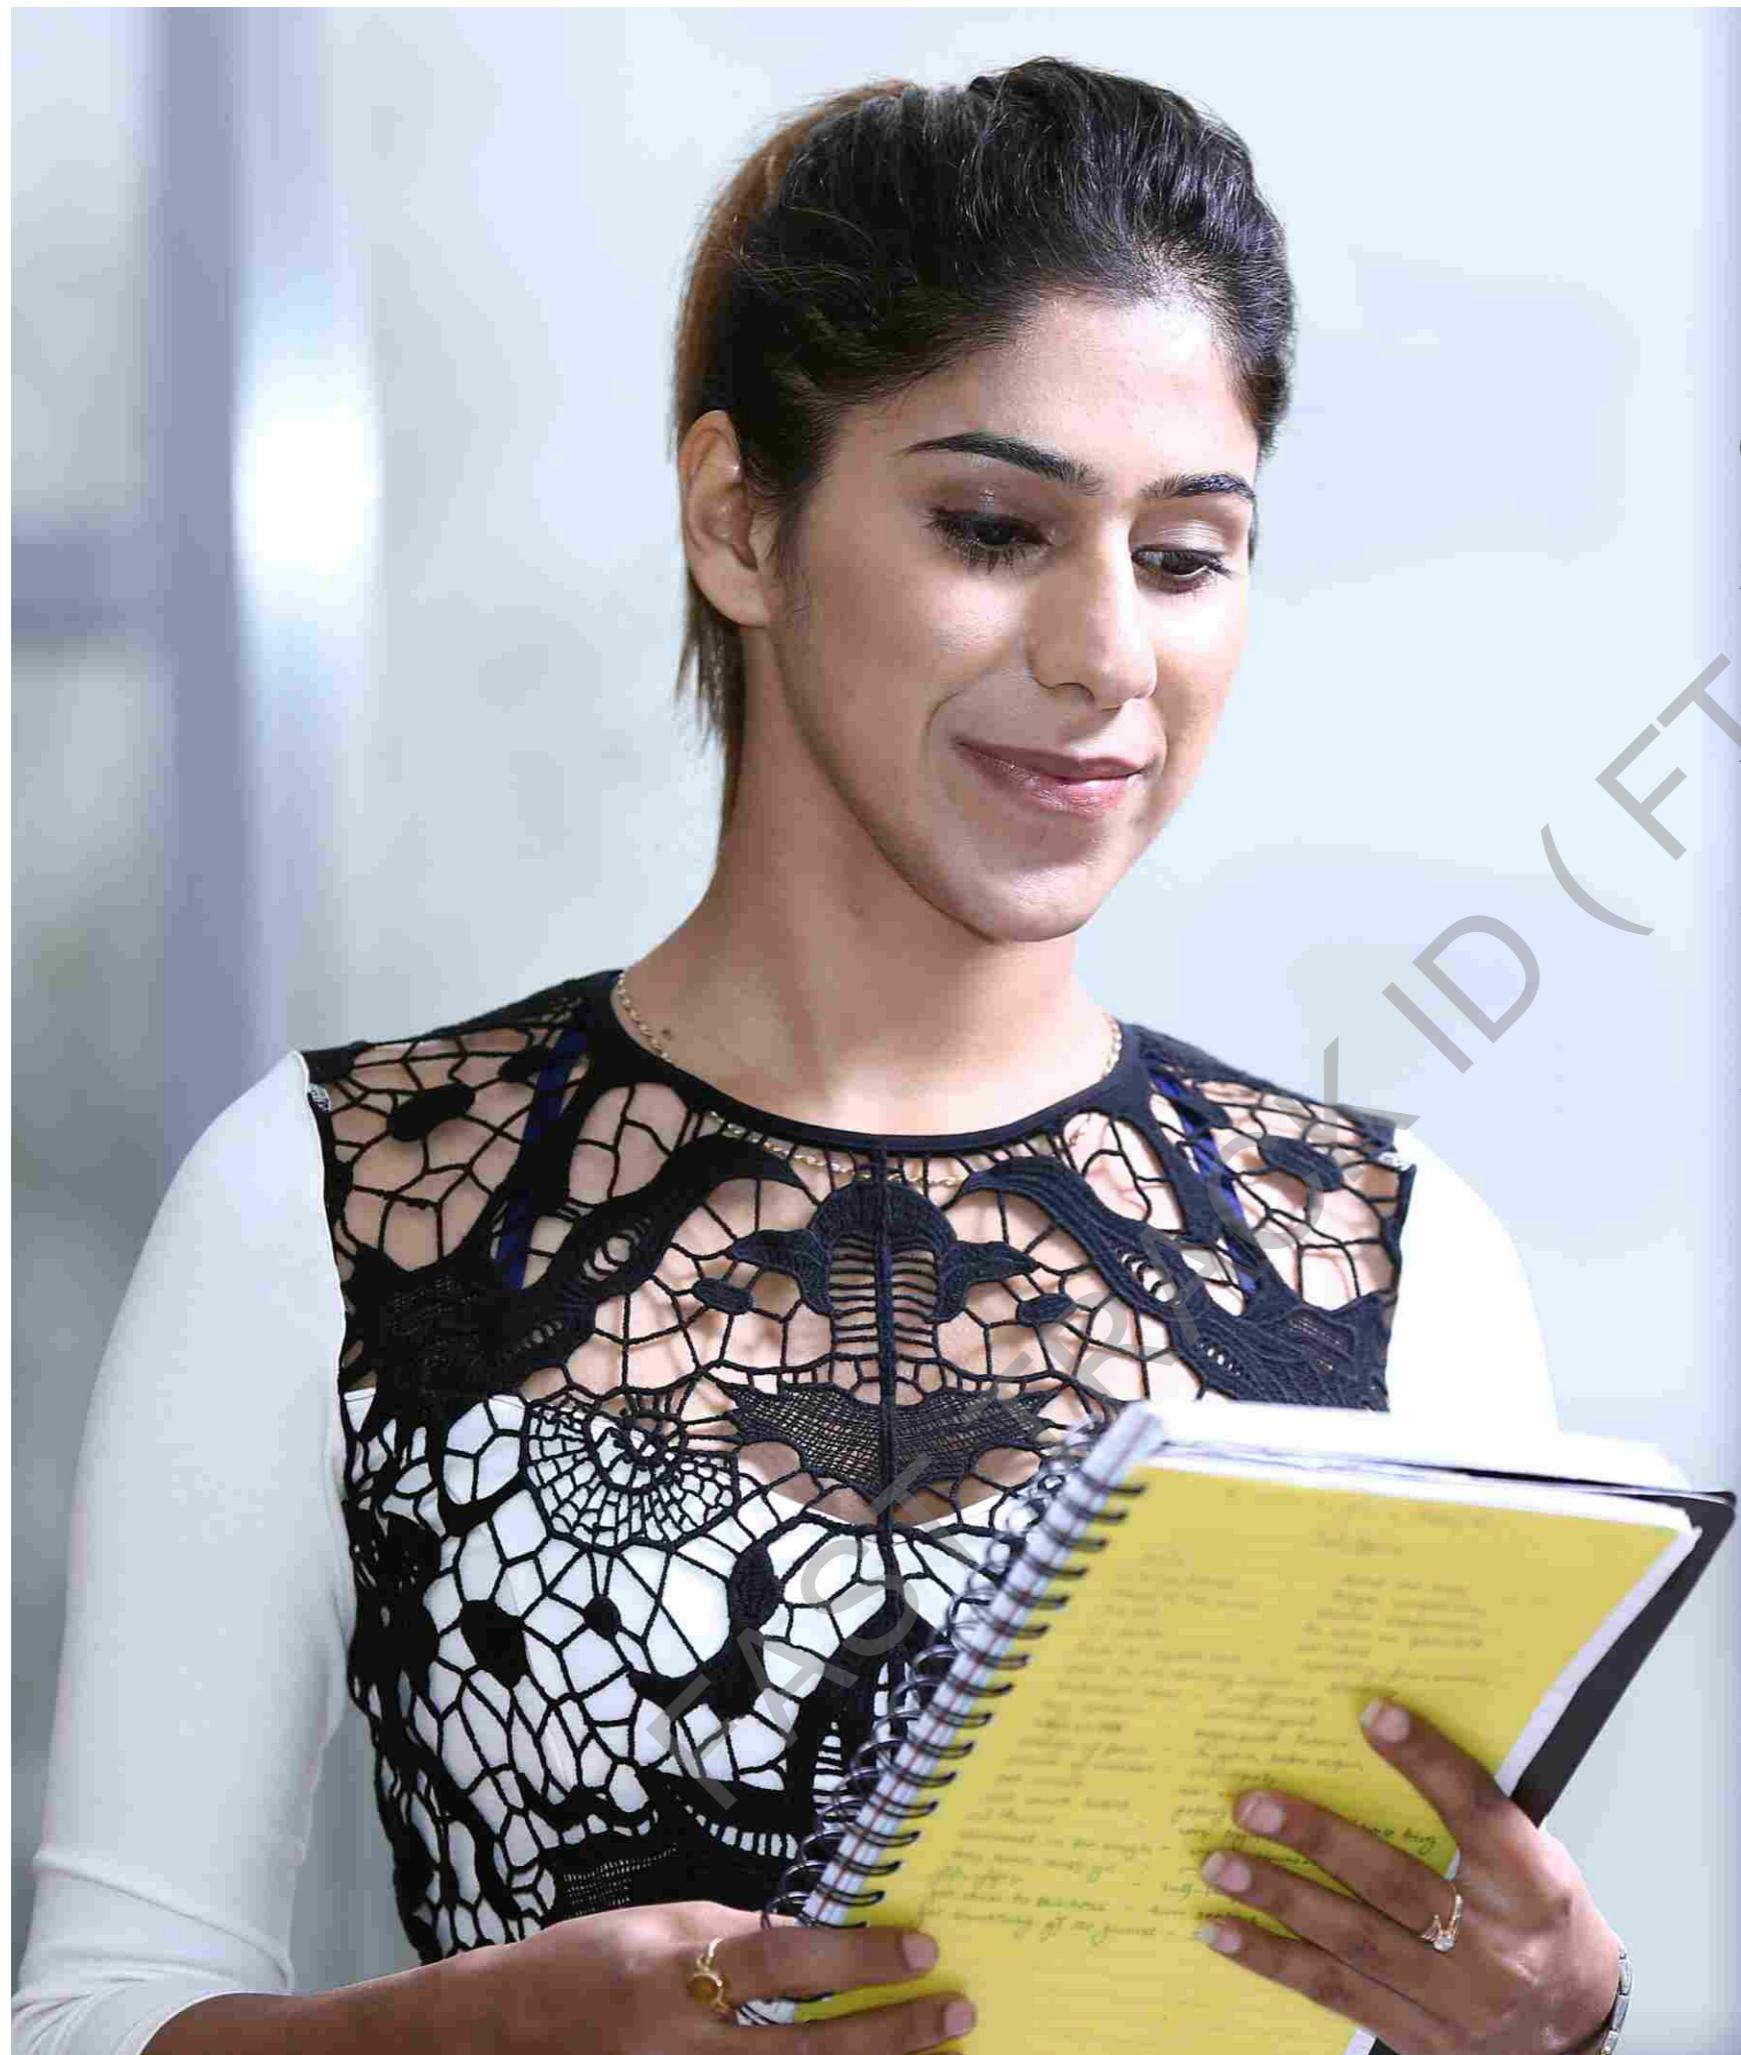

IT resources

Our IT facilities are centered on you – a single login will give you access to all the University's IT services. There are 500 centrally linked systems available in labs. High-speed Wi-Fi with bandwidth of 1 GB,

and with our individual login support you'll always have secure access to your resources, files and a wide range of software from anywhere in the campus.

E-Enabled Classrooms

Using technology in learning and teaching is vital for universities to maintain excellence and continue to improve the student experience. To develop your skills and knowledge we make widespread use of technology enhanced learning. Classrooms and lecture halls are equipped with the latest technology, we at CU provide the best possible learning environment for your course.

Opportunities.... Await

Chandigarh University is the idyllic center for an assured career. Chandigarh University offers choice based career opportunities, one can pursue higher studies in emerging technologies with a Master's degree, choose to be an entrepreneur or embark on a professional journey with top multinational companies.

For those who want to pursue their career in a reputed organization, the Career Resource Centre at the University brings graduates and employers at same platform and assists students in developing the necessary skills to manage their careers throughout their lives. Services include helping students to make informed career and study choices, and connecting local, national and international employers with students when recruiting for graduate vacancies.

For those who wish to pursue higher studies, plethora of opportunities are available in the both university and partner universities internationally. Students who have inclination towards entrepreneurship or are planning to manage family owned business, CU offers expert guidance transforming inquisitive ideas into operational and successful projects.

Higher Studies

At Chandigarh University you will find plethora of options for higher studies;

Post graduate courses in almost every field and Ph. D. In selected disciplines. In addition, various scholarships are available for the students to pursue their career dreams with financial support from the university. Students graduating from Chandigarh University or Chandigarh group of Colleges are offered a scholarship equivalent to 10% of the tuition fee on joining any higher course at the University.

Studying Abroad for post graduate courses is another option available to CU students. Chandigarh University's academic system is recognized on international level and thus offers smooth transition to any country of your choice. We have also partnered with more than 140+ international universities where you can opt for post graduate or doctorates program. Special Preparation batches for competitive exams such as GRE/GMAT and for Civil & Defense Services.

Placements

Employability is about gaining experience as well as expertise, about preparing for the workplace as well as for enterprise.

We at Chandigarh University work hard to ensure that we provide you with the opportunity to build all of the required critical skills. Our students explore new avenues in global careers while continuously striding in their academic journey. We are proud of fact that our alumni's dedication & astounding performance has made CU the most preferred institution among recruiters and our graduates are targeted by regional, national and international employers. A threshold of success is experienced by our students as opportunities and regular guidance is provided by Top MNC's such as Microsoft, Hewlett Packard, Amazon, Directi, Bank of America, Ernst & Young, Reliance, eClerx Services Ltd., Citibank, Jet Airways, Vistara, The Taj, Leonia Holistic and many more.

From Idea To Enterprise!

Chandigarh University focuses and promotes the culture of 'Creating Jobs', it stimulates and nurtures inquisitive minds to shape their ideas in actual businesses

Since its inception Chandigarh University has aimed to improve employment opportunities for the people and to support the community by providing access to relevant applied knowledge. Most of all, we believe that today's students are tomorrow's entrepreneurs and innovators. Our focus on grooming students for business success prepares them for success in the industry; it also helps create a new breed of leaders who will serve as the vanguard of the nation's technological and economic growth.

To fulfill the vision and in line with PM Narendra Modi's initiative of 'Make in India', CU has established Innovation and Entrepreneurship Development Cell (IEDC) and Technology Business Incubator (TBI). A unique platform that facilitates students and peers to the process of product development, business development and entrepreneurship.

TECHNOLOGY BUSINESS INCUBATOR -

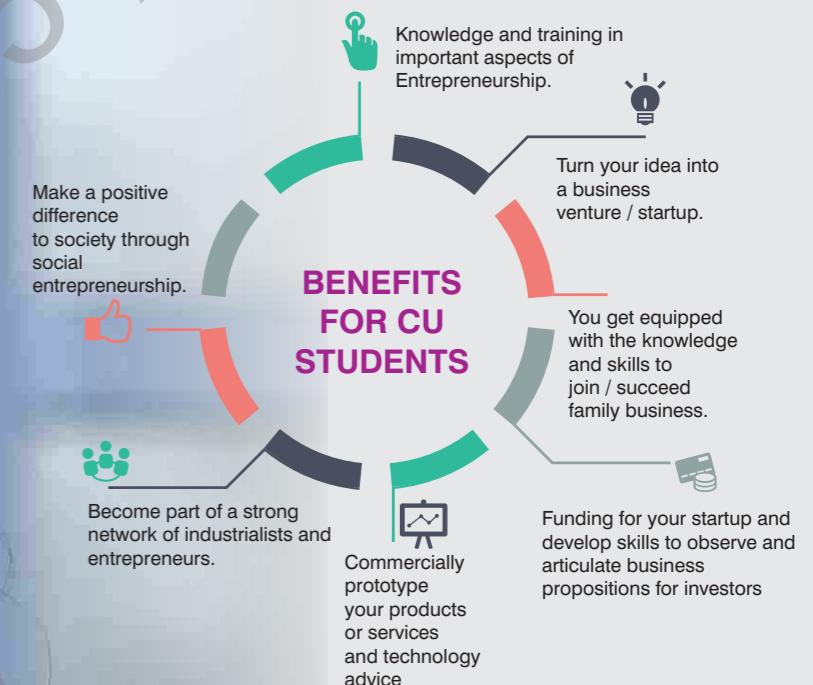

An initiative of Chandigarh University to provide business services among its faculty, alumni and students. We are nurturing entrepreneurship skills to create self-employment, an innovative setup which will empower people of the region to start their own ventures. Our focus is to energize entrepreneurship in academia through innovation.

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CELL (IEDC)

Innovation and Entrepreneurship Development Cell provides a platform for the students and faculty members with innovative ideas for the betterment of the society by providing them with infrastructure to transform their ideas into products and services.

BUILDING AND SUPPORTING A CULTURE OF ENTERPRISE AT CU

- Evolve Talks: Successful entrepreneurs share their experiences to inspire students and graduates to take the next step on their business journey
- Development Workshops: Supporting students to develop their enterprise skills and entrepreneurial mindset.
- Boot Camps: Intensive practical advice and support for current students and alumni to refine their business and social enterprise ideas
- Competitions and Challenges: Students put their skills and ideas to the test, to gain funding and support to take their ideas further
- Mentor Programs: One to one mentoring program, which allows students to shape their business ideas

EFFECTUS

Effectus is an initiative to bring together and support the aspiring entrepreneurs to one platform and let them share their vision and ideas with the leading entrepreneurs' community. In its first chapter Effectus had participation of 1000+ budding entrepreneurs from across India.

Multifaceted Industry Sponsored Infrastructure

Our research centres play a crucial role in elevating the capabilities of our students and faculty members through various training activities.

Industry – Our Partner in Excellence

In keeping abreast with the global needs and changing market demands, we have cultivated synergistic alliance with reputed multinational companies to implement an industry-relevant curriculum, closely based on research and linked to global market outcomes.

These strategic partnerships encourage continuous professional learning and provide opportunities for our students to meet and engage with top organizations and industry leaders, to enhance student's educational experience. CU is playing a pro-active role in transforming and constantly elevating the learning process.

CU has forged alliances with Top MNC's to cater all disciplines and bring them one step closer to the real-time working environment and provide an edge when it comes to placements. Industry is not just an interface at CU but is involved at every aspect of student's life.

HP CENTER OF EXCELLENCE:

The first of its kind HPE Centre of Excellence in north India and 4th in India will act as gateway for training of future professionals as per the training modules designed by Hewlett Packard in the emerging technologies. Upon successful completion of the training process, students will be absorbed by the company offering attractive salary packages.

TECH MAHINDRA – IMS ACADEMY:

IMS Academy is a unique simulation based Infrastructure Operations training Practice Oriented Model with fully automated Simulation Lab & Operations Platform. To provide a comprehensive 'practice' oriented training to groom students in IMS Technologies and transform them to a good 'IMS Professionals' with the required Skills, Competencies, and Essential practices, Tech Mahindra established North India's first IMS Academy at Chandigarh University Campus.

VIDEOCON – CONNECT ADVANCED COMMUNICATION LAB:

An advanced communication lab for the students and faculty of Electronics and Communication Engineering. This collaboration will benefit students with live projects, industry exposure leading to domain specific placements.

MSC CENTRE OF EXCELLENCE:

The modeling and simulation research lab has been established with the help of MacNeal-Schwendler Corporation (MSC). The lab has wide range of softwares like MD Nastran, MS Adams, Patran, Marc, Dytran, Solid works, ANSYS, and Wind Chill etc. All the softwares are extensively used by students in interdisciplinary research areas.

HYUNDAI PROFESSIONAL DEVELOPMENT CENTER

Chandigarh University and Hyundai Motor India Limited (HMIL) have recently collaborated to support and provide pre-placement training to students, for enhancing their employability skills. In this exclusive collaboration automobile student will benefit greatly via: Company trained faculty will mentor students as per the HMIL standards. Students will be groomed as per the module developed by HMIL Technical Training Department. Certification upon successful completion of the polytechnic course and Hyundai Certification Course. Successful completion of the course will lead to the on-job training for hands-on-experience at HMIL's Dealership Workshops. Students with Hyundai Certification will be given preference during placement process conducted by HMIL

CISCO Networking Academy

CCNA - trains students, and in-transition workers to design, build, and maintain complex computer networks. An e-learning model that delivers web-based educational content, online testing, student performance tracking, hands-on labs, and instructor training and support. At the end of the course, students are prepared for globally recognized industry standard certifications like the Cisco Certified Entry Networking Technician (CCENT), Cisco Certified Network Associate (CCNA) and Cisco Certified Network Professional(CCNP). Using this program we can prepare graduates for the demands and opportunities of the New Economy, and access to the latest IT and telecommunication technology.

Global Opportunities – Chandigarh University & The World

CU is a university with Global Outlook and has an extensive alliances with more than 170 top world ranked universities in 50 countries. We offer life-enhancing opportunities to study abroad at partner universities across the globe. Chandigarh University is also member of Association of Commonwealth Universities.

CU actively encourages exchange programs to enable our students to spend time at universities around the world. Unlike many universities, almost all our programs give you the chance to spend a period abroad. We have established Office of International Relations (OIR) which provides students with unparalleled opportunities through summer, semester and cultural exchange programs.

FIRST UNIVERSITY IN
NORTH INDIA
TO FORGE 170+

Office of International Relations (OIR) offers numerous avenues to pursue your goals globally:

International summer/Winter Programs –

Short duration programs of 2-4 weeks are perfect way for students to balance their desire for international exposure with the academic life.

Semester Abroad/Exchange Programs –

An opportunity to complete your semester abroad which further add to your international experience and let you grow your network both on personal & professional level.

Higher Education Programs -

An opportunity to visit international universities for certificate/ diploma programs or to pursue master's degree in decided field.

Global Immersion Programs-

An opportunity to be professionally attached to multinational companies and start-ups. It aims to provide CU students the experience of studying and working abroad.

International Internships -

An opportunity to gain work experience abroad by undertaking an internship in a foreign country.

Avail the opportunity for Global Learning at Chandigarh University.

*For detailed information visit, **Office of International Relations**, Academic Block 3, Gharuan Campus.*

Banking Facilities

At Chandigarh University, we provide the best banking facilities to our students. In order to cater to their banking needs, we have on campus, fully air conditioned and fully computerized branch of State Bank of India which is based on CBS platform. The eligible students of Chandigarh University can also avail the facility of Educational Loan from the "on campus" branch of SBI.

In addition, to meet the daily requirements of cash, we have ATM machines of SBI and PNB installed at different locations on the campus providing easy access to the students. Special facility of opening ZERO balance saving accounts without much paper work has also been provided to our students by the "on campus" branch of SBI. The facility of ATM and Net Banking is also provided along with Zero Balance Saving account.

The University in collaboration with ICICI Bank has introduced various modes of Payment through Online as well as Offline to facilitate students to make their Payments easy and hassle free. Now the student/Parents sitting at their homes anywhere across India can make Payment through the following modes:

How To Apply & Fee Deposit Process

ONLINE:

- Students need to register at Fasttrack.cuchd.in, Buy the e-prospectus via payment through online mode. Once the application form is enabled you will be provided with Uni Account Number with an enabled Payment Gateway.
- Payment Gateway offers: Credit/Debit Card (ATM), Net Banking, RTGS/ NEFT and Challan.

OFFLINE:

- Students can visit the Regional Admission Offices or Chandigarh University Campus, Gharuan, Mohali,
- Students can buy prospectus from Regional Admission Offices or Chandigarh University Campus, by cash mode or Demand Draft (DD) in favor of "Chandigarh University" payable at MOHALI.
- After the completion of required admission formalities, students can deposit the fee at Regional Admission Offices or Chandigarh University Campus, by cash mode or Demand Draft (DD) in favor of "Chandigarh Educational Trust" payable at MOHALI.
- Once the payment is initiated student will receive access to <http://cuims.in>, where in he/she can login with given Uni Account Number & Password received on registered Mobile No. / E-mail Address.
- Students can pay the balance fee via online and offline mode through the 'PAY NOW' link provided at <http://cuims.in>

Note: Student Fee Status paid through Online Mode will be updated within 72 hours.

In case of any Fee deposit clarification/details, write an email to accounts@cumail.in

Associated Banks: J&K Bank, SBI Bank, HDFC Bank, Punjab National Bank

THE FEE SCHEDULE FOR EXISTING STUDENTS ARE AS BELOW:

- A) **LAST DATE FOR SUBMISSION OF FEE**
 (Odd Semester) : 30th of April
 (Even Semester) : 30th of November

Note: No fee extension will be granted.

Hostel Facilities

Many Students consider quality of life as one of the important factors while choosing a University. We at Chandigarh University (CU) provide you a decent stay and the best possible learning environment. The stay at campus would certainly provide a wealth of experience by developing qualities such as comradeship and social responsibility.

CU offers separate hostel facility for boys and girls. Each hostel has spacious and well furnished rooms offering a plush, modern lifestyle. The rooms are well-equipped with Wi-Fi facility, telephone, water purifier, water cooler and provision for indoor as well as outdoor games. The students housed in the campus are encouraged to use the gymnasium, playground and all indoor gaming facilities. These

hostels also have home like dining facilities that offer fresh & nutritious food to the students. Chandigarh University hostels give an environment to create most effective conditions for student development. The hostels are located within the campus thus offering secured abode. The hostel is designed in such a way as to provide optimum utilization of student's time for their overall personality development. The first-aid facility & a dispensary are available within the campus and arrangement for indoor treatment with many hospitals located in Mohali & Chandigarh is also in place.

Several other facilities are also available in hostels to make the student stay most comfortable and enjoyable.

Facilities

- ▶ 24 x 7 Power Supply
- ▶ Well-furnished common rooms with TV & DTH connection
- ▶ Well-equipped reading rooms
- ▶ Wi-Fi Internet facility
- ▶ Separate gymnasium for girls and boys
- ▶ Indoor games (Carom, Badminton etc)
- ▶ Night Canteen and Tuck shops
- ▶ Guest Room
- ▶ Hot and Cold Water

Hostel Fee Structure

Type of Accommodation SEATS	Charges in 2018-19 (INR)	
	NON- AC (PER ANNUM)	AC (PER ANNUM)
	INR	INR
4 SEATER	84000	NA
3 SEATER	96000	108000
SINGLE SEATER	120000	150000

Note 1 : Hostel is as per the availability of the rooms.

2 : Allocation of Hostel is subject to deposit of full hostel fee.

Explore More with CU

Chandigarh University is a creative community, with a vibrant and cosmopolitan life. There are dozens of ways to immerse yourself in the arts, or to get involved in performing. Or, if you'd rather sit back and enjoy, there's no shortage of things on offer.

As a student here, you'll have the opportunity to take advantage of the lively and continually evolving cultural scene that the university has to offer a growing number of visual arts – a thriving music scene, experimental theatre and a dance studio. CU host number of cultural and technical events to keep its students involved in life beyond the classroom:

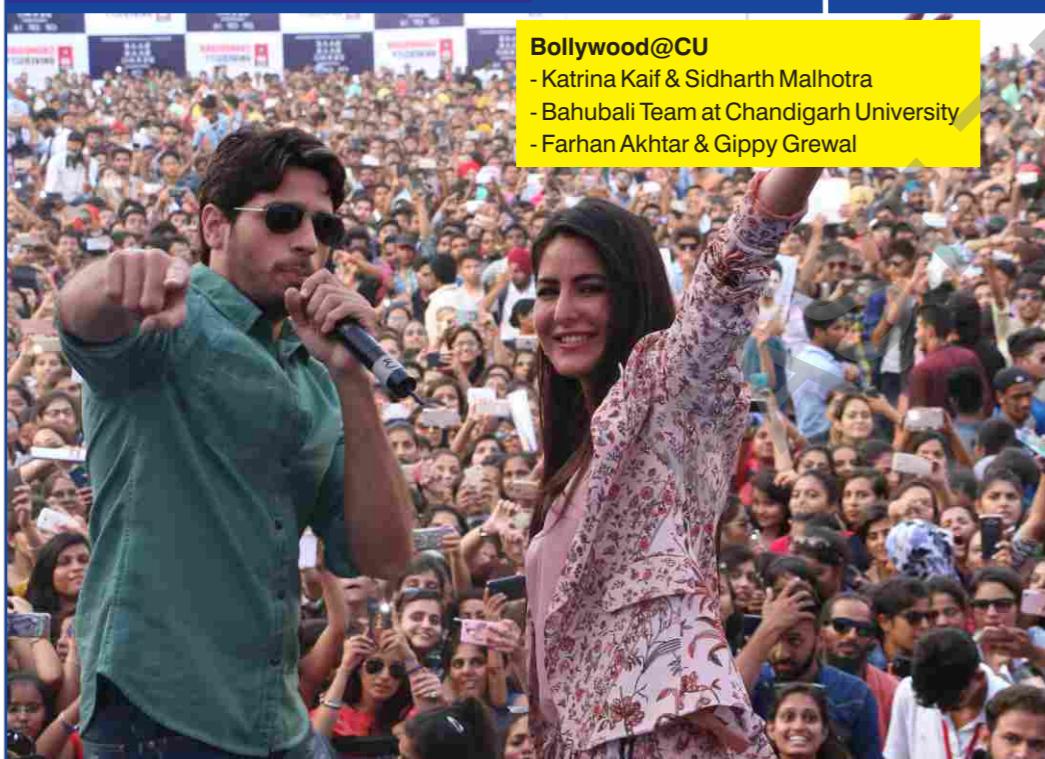

National Youth Day "Evoke":

A unique event to honor Swami Vivekanand and his teachings, CU organizes annual event to highlight the vital challenges faced by the Youth of the Country. Prominent personalities have become the part of this annual event.

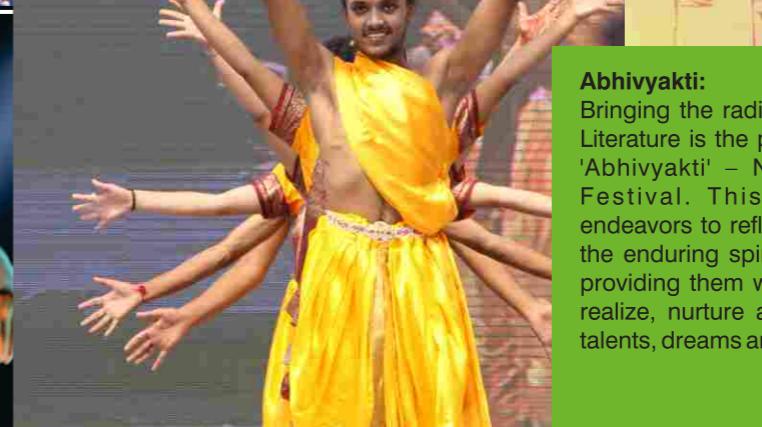

Bollywood@CU

- Katrina Kaif & Sidharth Malhotra
- Bahubali Team at Chandigarh University
- Farhan Akhtar & Gippy Grewal

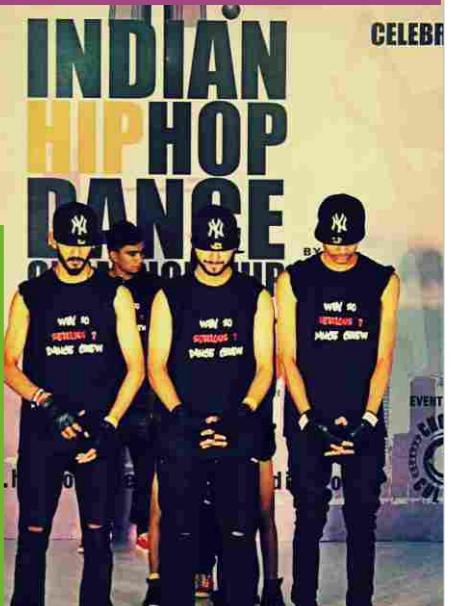

Rangmanch:

One of its kind theatre festival aims to revive and thrive in the beauty of Indian Arts, culture and its heritage.

Abhivyakti:

Bringing the radiance back to our Literature is the prime objective of 'Abhivyakti' – National Literary Festival. This annual event endeavors to reflect and celebrate the enduring spirit of youth, while providing them with a prospect to realize, nurture and harness their talents, dreams and aspirations.

HIGHLIGHTS OF 2016

- CU Theatre Festival in association with Chandigarh Sangeet Natak Akademi (CSNA)
- 4th International Folk Festival
- Cyclothon and Walkathon
- The Golden Era of Balwant Gargi (Music & Theatre Presentation)
- Visit of Motivational Speaker – Shiv Khera
- Prominent Director & Producer – Mahesh Bhatt
- Celebrities at CU –
- Katrina Kaif, Kangna Ranaut, John Abraham
- Annual Sports Meet

National Cultural Fest:

The most awaited of all cultural festivals, CU-Fest is the most exciting on the entertainment panel. Being a two-day program, it hosts varied cultural programs with participation of various colleges and universities nationwide.

Aaghaz:

The most stunning and glamorous welcome to the freshers of the Chandigarh University. It gives the students the opportunity to meet and greet with seniors and showcase their talents and pave the way for healthy competition.

Pratibha:

To invoke the inner-capabilities and build self-confidence of the students, CU organizes talent hunt "Pratibha" for new joinees. This talent hunt is a stepping stone to a vibrant and eventful college life.

TPP Fee	: 5500/- (Engg. Prog.) 5000/- (Non-Engg. Prog.)

Note : Whose opted for Campus placement

A comprehensive teaching program that prepares students to become transformative agents and change leaders!

PROGRAM	DURATION	ELIGIBILITY
University Institute of Engineering (UIE) Bachelor of Engineering (AME/CE/CHE/CSE/ECE/EE/IT/ME/Mechatronics/PE / Aerospace Engg.)	4 Yrs	10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology with at least 50% marks (45% in case of candidates belonging to SC/ST category) in the aggregate.
Bachelor of Engineering- CSE - General / Internet of Things / Mobile Computing /Open Source & Open Stnd.	4 Yrs	
Bachelor of Engineering - B.E. CSE in specialization with Artificial Intelligence & Machine Learning)	4 Yrs	10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology with at least 50% marks (45% in case of candidates belonging to SC/ST category) in the aggregate.
Bachelor of Engineering - BioTechnology	4 Yrs	10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology with at least 50% marks (45% in case of candidates belonging to SC/ST category) in the aggregate.
Bachelor of Design (Industrial)	4 Yrs	10+2 with atleast 50% marks in aggregate (In case of SC/ST category 45% marks) or equivalent.
Bachelor of Engineering - Lateral Entry - (AME/CE/CHE/CSE/ECE/EE/IT/ME/Mechatronics/PE) Bachelor of Engineering - Lateral Entry - Aerospace Engg	3 Yrs	Diploma with at least 45% marks (40% in case of candidate belonging to SC/ST category) in any branch of Engineering / Technology OR B.Sc. Degree.
Master of Engineering (AME/CE/CSE/ECE/EE/IT/ME) Master of Engineering - EE (Energy System) Master of Engineering - CE -Transportation / Environment / CTM - Construction Technology & Mgmt. / Structural Engineering	2 Yrs	Bachelor's Degree in the relevant field or equivalent with at least 55% marks (50% in case of candidate belonging to SC/ST category) in the qualifying examination.
Apex Institute of Technology (AIT) Bachelor of Engineering Computer Science and Engineering (Hons.) IBM-CLOUD COMPUTING, IBM-BIG DATA AND ANALYTICS, IBM-INFO. SECURITY	4 Yrs	10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology with at least 60% marks in the aggregate throughout.
ME (Hons.) - CSE (Cloud Computing)-IBM ME (Hons.) - CSE (Big Data Analytics)-IBM ME (Hons.) - CSE (Information Security)-IBM	2 Yrs	Bachelor's Degree in the relevant field or its equivalent with minimum 60% in 10th, +2 and Graduation level.
MBA - Masters of Business Administration - Business Analytics (IBM)	2 Yrs	Recognized Bachelor's degree in any discipline with at least 60% marks in the qualifying examination with mathematics as a compulsory subject at 10+2 or will be based on Merit in CAT /MAT/CMAT
MBA - Master of Business Administration (Banking and Financial Engineering) In Association with ICICI - (Direct), FLIP & Tally	2 Yrs	Recognized Bachelor degree preferably Commerce background with atleast 55% marks.
University School of Business (USB) Bachelor of Business Administration (BBA) - General/ Advertising & Marketing/ Banking & Finance/ Insurance & Risk Mgmt./ Tourism & Event Mgmt./ Forex Mgmt.	3 Yrs	10+2 or its equivalent examination in any stream conducted by a recognized Board / University / Council.
Bachelor of Commerce (Hons.) General/ Auditing & Taxation/ Advanced Cost & Management Accounting /E-Commerce		
MBA - Master of Business Administration - (Tourism & Hospitality Management)	2 Yrs	Recognized Bachelor's degree in any discipline alongwith GD/PI
MBA - Master of Business Administration -Administration (HR/Finance/ Marketing/IT/ International Business/ Retail Supply Chain Management)	2 Yrs	Recognized Bachelor degree in any discipline with atleast 50% marks in the qualifying examination alongwith GD / PI
Master of Commerce (Hons.)	2 Yrs	Recognized Bachelor's degree with minimum 50% marks in aggregate in Commerce or its equivalent from recognized institution.
University Institute of Computing (UIC) Bachelor of Computer Applications Bachelor of Science (Computer Science)	3 Yrs	10+2 or its equivalent examination in any stream conducted by a recognized Board / University / Council.

ELIGIBILITY CRITERIA

ELIGIBILITY CRITERIA

PROGRAM	DURATION	ELIGIBILITY	PROGRAM	DURATION	ELIGIBILITY
Master of Computer Application	3 Yrs	Recognized Bachelor's degree with atleast 50% marks (45% marks in case SC/ST category) in Mathematics / Statistics / Business Mathematics/ Business Statistics / Quantitative Techniques as compulsory/ optional/ additional paper as one of the subjects either at 10 + 2 or at graduation level.	University Institute of Film and Visual Arts (UIFVA)	3 Yrs	10+2 or its equivalent examination in any stream conducted by a recognized Board / University / Council.
Master of Computer Application - Lateral Entry	2 Yrs	Recognized degree with atleast 50% marks (In case SC/ST category 45%) in BCA / B.Sc. IT / B.Sc. Computer Science from any recognized University.	Bachelor of Science - Animation, VFX and Gaming/ Film Studies/ Fashion, Design & Interior Design	4 Yrs	
University Institute of Tourism & Hospitality Management (UIITHM) Bachelor of Science (B.Sc.) 1) Hotel & Hospitality Management a) Resort & Event Management 2) Airlines & Airport Management 3) Travel & Tourism Management	3 Yrs	10+2 or its equivalent examination in any stream conducted by a recognized Board / University / Council.	Bachelor of Fine Arts	2 Yrs	Recognized Bachelors degree with atleast 50% (45% in case of SC/ST category) or its equivalent in relevant field.
MBA - Tourism and Hospitality Management	2 Yrs	Recognized Bachelor's degree in any discipline alongwith GD/PI	Master of Science - Animation & Multimedia Technology	5 Yrs	Student who had passed 10+2 with minimum 50% marks in aggregate alongwith 50% marks in Physics, chemistry and Mathematics as an compulsory subjects OR equivalent, subject to an aptitude test NATA or JEE MAIN PAPER-02 qualified. The eligibility is as per the norms of council of Architecture (COA).
University Institute of Pharmaceutical Sciences (UIPS) B.Sc. - Bachelor of Pharmacy	4 Yrs	10+2 examination with atleast 60% marks in aggregate (55% marks in case of SC/ST category) with English, Physics and Chemistry as compulsory subjects, along with one of the following subjects:- Biology / Bio-Technology / Mathematics.	University Institute of Architecture (UIA)	3 Yrs	Recognized Bachelor degree in any discipline with atleast 50% marks (In case of SC/ST category 45%) in the qualifying examination.
B.Sc. - Bachelor of Pharmacy (Lateral Entry)	3 Yrs	Diploma in Pharmacy from an institute affiliated to any university or any state Board of Technical Education provided that the diploma or the institute is duly approved by the PCI / AICTE.	Bachelor of Architecture	5 Yrs	
University Institute of Applied Health Sciences (UIAHS) B.Sc. - Bachelor of Science (Medical Lab Technology)	3 Yrs	10+2 examination with Physics and Chemistry as compulsory subjects, along with one of the following subjects:- Mathematics / Bio-Technology / Computer Science / Biology conducted by a recognized board or its equivalent examination.	Bachelor of Arts + Bachelor of Law (BA+LL.B.)-Integrated	5 Yrs	10+2 with atleast 50% marks (In case of SC/ST category 45%) or its equivalent examination in any stream conducted by a recognized Board / University / Council in the aggregate.
B.Sc. - Bachelor of Science (Medical Lab Technology) - Lateral Entry	2 Yrs	Diploma in Pharmacy OR Diploma in MLT from Recognized institute/ University OR Diploma in Applied Health Programs i.e. blood banking, medical microbiology.	Bachelor of Commerce + Bachelor of Law (B.Com. + LL.B.) - Integrated	5 Yrs	10+2 with atleast 50% marks (In case of SC/ST category 45%) or its equivalent examination in any stream conducted by a recognized Board / University / Council in the aggregate.
B.Sc. - Bachelor of Science B.Sc (Nutrition & Dietetics)	3 Yrs	10+2 examination with Physics & Chemistry as compulsory subjects, alongwith one of the following subjects:-Biotechnology/ Biology with atleast 50% marks (45% in case of SC/ST category)	Bachelor of Business Administration + Bachelor of Law (B.B.A. + LL.B)-Integrated	5 Yrs	
B.Sc. - Bachelor of Physiotherapy (B.PT)	4.5 Yrs	10+2 examination with atleast 50% marks (45% incase of SC/ST category) in Physics and Chemistry as compulsory subject, alongwith one of the following subject:-Biology/Mathematics.	Master of Law (LL.M.)	1 Yrs	Recognized Bachelor's Degree in Law (LLB) with atleast 50% marks (In case of SC/ST category 45%).
B.Sc. - Bachelor of Optometry	4 Yrs	10+2 examination with Physics and Chemistry as compulsory subject, alongwith one of the following subject:-Biology/Mathematics.	University Institute of Media Studies (UIMS)	3 Yrs	10+2 with atleast 50% marks in aggregate (In case of SC/ST category 45%) or its equivalent examination in any stream conducted by a recognized Board / University / Council in the aggregate OR 45% marks in 10+2 in any stream with atleast 55% in English as the subject.
Master of Science (Forensic Science and Toxicology)	2 Yrs	Bachelor's degree in any Branch of Science/ Pharmacy.	Bachelor of Arts - Journalism & Mass Communication	2 Yrs	Bachelor's Degree with atleast 50% marks in aggregate (In case of SC/ST category 45%) or its equivalent.
Master of Science (Forensic Science and Toxicology) Lateral Entry	1 Yrs	Candidate who had passed Post Graduate Diploma in Forensic Science from any Recognized institution/ University. OR Post Graduate Diploma in Ballistics/ Digital Forensic / Cyber crime from Recognized institution/ University.	Master of Arts (Journalism & Mass Communication)	3 Yrs	10+2 examination with Physics/ Chemistry & Mathematics as compulsory subjects, conducted by a recognized board or its equivalent examination.
University Institute of Bio-Technology (UIBT)	3 Yrs	10+2 examination with Physics & Chemistry as compulsory subjects and either Mathematics or Biology conducted by a recognized Board / University / Council or its equivalent.	Bachelor of Science (B. Sc.)- Medical	3 Yrs	10+2 examination with Physics, Biology & Chemistry as compulsory subjects, conducted by a recognized board or its equivalent examination.
Bachelor of Science (Biotechnology)			Bachelor of Science (Actuarial Sciences)		10+2 examination or its equivalent with minimum aggregate of 50% marks (45% in case of SC/ST category) alongwith one of the following subject: Mathematics/Business Mathematics.
Master of Science (Biotechnology)	2 Yrs	Bachelor's degree with atleast 50% marks (45% in case of SC/St category) in any branch of Science / Agriculture/ Pharmacy / Veterinary / Medicine (MBBS) / Medical Lab Technology / Nursing.	Master of Science - (Mathematics)	2 Yrs	Bachelor's Degree with atleast 50% marks in aggregate (Incase of SC/ST category 45%) with Mathematics as compulsory subject.
			Master of Science - Physics	2 Yrs	Bachelor's Degree with atleast 50% marks in aggregate (In case of SC/ST catetory 45%) in Science with Physics as compulsory subject.
			Master of Science - Chemistry	2 Yrs	Bachelor's Degree with atleast 50% marks in aggregate (In case of SC/ST catetory 45%) in Science with Chemistry as compulsory subject.
			Master of Science - (Geoinformatics)	2 Yrs	Recognized Bachelor Degree in B.Sc/BA with Geography as a subject with minimum 50% (45% in case of candidate belonging to SC/ST category)

Examination System

The examination system of the University has been designed keeping in view the best available options of evaluation & certification along with their global acceptability.

The basic principle of the system is that it is "scientific, objective and transparent" with least possibility of subjectivity caused due to the individual evaluator, particular subject or a particular batch of students.

The examination system is divided as follows:

Theory Examination

- a. Internal Assessment: It includes Hourly Test, Mid Term Test, Surprise Test, Quiz, Tutorials and Assignments.
- b. External Examination: At the end of semester, final examination will be conducted to evaluate student's performance.

Credit and Grade point system of evaluation system:

Relevant grades awarded through software.

Cumulative Grade Point Average:

CGPA is the weighted average of all the grades awarded to the student since his/her entry into the university up to and including latest semester.

$$CGPA = \frac{\sum Ci Gi}{\sum Ci}$$

Ci = Credits for the paper

Gi = Grade points of the grade earned in the paper

Promotion for Next Session and Condition for Year Back

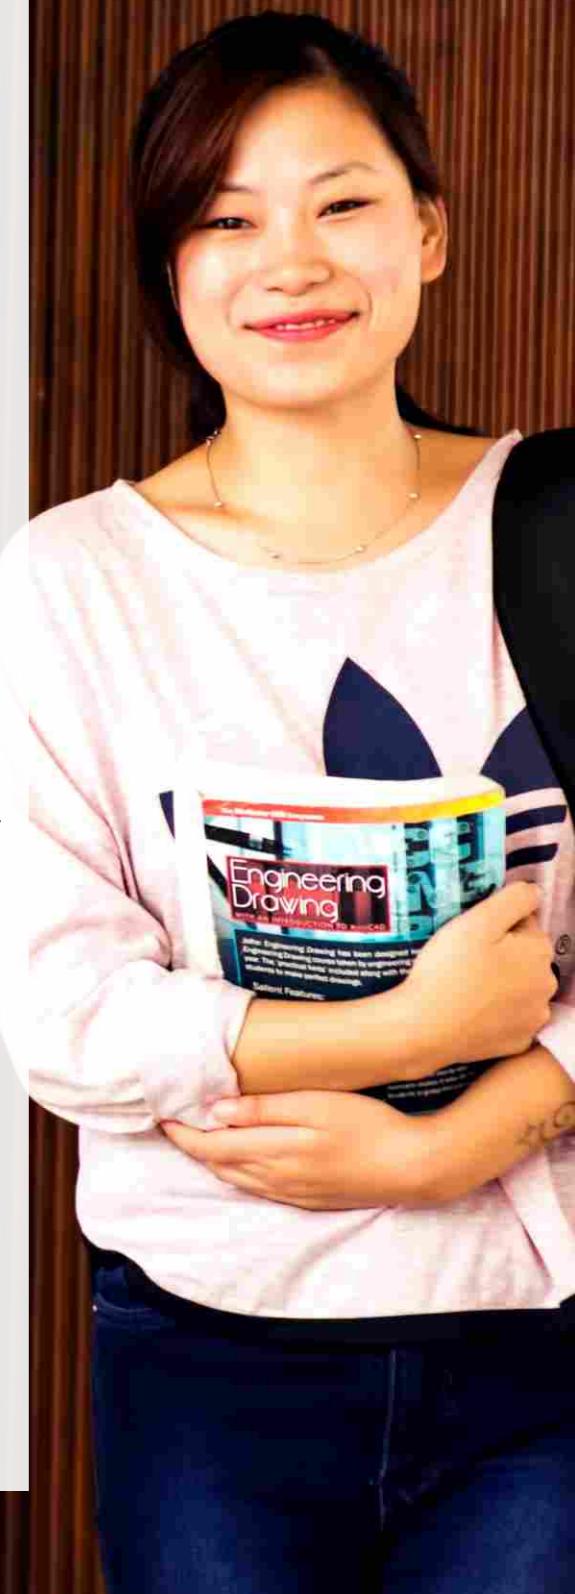

Under Graduate (UG)

- Promotion from 1st to 2nd year is granted if the student secure CGPA of greater than or equal to 3.50 or earns * a minimum of 40% of the credits offered in the approved scheme of courses in the first year.
- Promotion from 2nd to 3rd year is granted if the student secures CGPA of greater than or equal to 4.00 or earns * a minimum of 40% of the credits offered in the approved scheme of courses in the first and second year.
- For Award of UG degree student should have 'D' or higher grade in all papers alongwith CGPA of 4.5 or more.

Post Graduate (PG) Courses

- Promotion from 1st to 2nd year is granted if the student has earned at least 4.00 CGPA * a minimum of 40% of the credits offered in the approved scheme of courses in the first year.
- For Award of PG degree student should have 'D' or higher grade in all papers alongwith CGPA of 5.00 or more.

Note: For further information, please refer to Student Handbook.

Rule, Regulations & Policies

ADMISSION POLICY

The Chandigarh University has been established with a vision to emerge as a globally recognized University with the state of art infrastructure for disseminating knowledge and providing a unique platform for learning that will best serve the society at large. The Admission Policy of Chandigarh University is therefore devoted to march towards accomplishment of the above vision and to fulfill the mission of the University which apart from other things envisage to admit students as learners and develop them as leaders.

The key elements of the Admission Policy of Chandigarh University are merit and quality of the students with transparent system of admissions, involving special effort to meet the social responsibility and rewarding the Super Achievers.

UNDER THE ABOVE POLICY:

- Equal opportunity is given to all students by reaching out to them through the University website, newspapers and other available media.

Registration Procedure

HOW TO APPLY

Candidates seeking admission in Chandigarh University shall fill up the online form available on website www.cuchd.in. Please fill the Registration form with complete details and capture the photograph on the spot and then take printout of the form and paste a recent passport size colored photograph.

Important Note:

- A candidate cannot claim admission merely by filling the application-cum-Registration form and paying the Registration fee. If he/she fulfills the eligibility criteria as per the prospectus, only then he/she shall be considered for admission. Therefore, candidates are advised to read the eligibility and other conditions carefully to check their eligibility before filling the form.
- Read and familiarize yourself with the eligibility criteria, reservation policy and other relevant information related to admission.
- All the applicants are required to register/sign up online before proceeding to fill the application form only at www.cuims.in.
- Please provide a valid email address and an active mobile number while registering, since these contacts will be used for all future communication with the applicant.
- After registration, login credentials will be sent via an email to registered email address. In case of wrong email address and /or mobile number has been provided during sign up, you are required to register afresh with the correct details.
- Upload a scanned recent passport photograph as per the instruction. All photographs must be in JPG format and not exceeding 100 KB in size it must be a colored photograph taken at a professional studio. Photographs taken via mobile phone and other kinds of self-composed portraits will not be accepted.
- Candidates applying under the SC and ST categories are required to upload their valid Caste Certificate issued by a competent authority.
- The original certificates and a set of self-attested copies of the certificates are required to be produced at the time of admission.
- Every candidate must indicate in his/her application the category of seat for which he/she wants to apply. A copy of the certificate of the reserved category (if applicable) must be attached.
- The specimens of the format of the required certificates are available on the University website for the guidance of candidates. Each certificate must be submitted in the prescribed format and must be issued by the competent authority as mentioned, under proper seal/stamp of their office on a date prior to or on the last date for submission of application form.
- Admitted candidates will have to submit the migration certificate from the earlier University/Board within a month of their admission.

Seat Allotment - General Rules

- During this step, the choices submitted by the candidate will be processed centrally and seats will be allotted in the order of merit.
- Merit List will be accessible on University website. After the seat allotment, the candidate deposit the requisite fee.

- a) Candidates who are allotted a seat will have to pay the admission fee within the stipulated time using Debit/Credit Card through payment gateway services
- However, if any candidate desires to cancel his/her allotment, he/she will have to approach the University for Cancellation. Refund rules of the University will be applicable as on date of the cancellation.

Applications received with late Fee:-

- Candidates who apply after the last date of receipt of application form (30th June, 2018) by paying the requisite/Late fee will be considered after the waiting list is exhausted.
- Penalty for wrong information/ Suppression of information.
- If at any stage it is found that a candidate has concealed, suppressed or distorted any information/fact, in the application form, his/her admission to the University, if granted, shall stand cancelled. He/she will have no claim, whatsoever, against the University.
- Seats in the reserve categories remaining unfilled shall be filled by General category candidates on the basis of merit.

For candidates appearing in the final examination

- Candidates who are appearing in the final exam of the qualifying degree/diploma (for Lateral Entry) are eligible to apply. Such candidates will have to submit the proof of passing the qualifying examination with the minimum percentage of marks required on or before June, 30th 2018, failing which the admission shall stand cancelled. The candidate shall not claim any right on any count whatsoever against the University.

Physical Reporting for document verification

- All provisionally admitted candidates are required to physically report for document verification and attending the classes.
- All candidates will submit self attested photocopies of the following documents along with the confirmation slip and fee receipt:
 - Detailed Marks Sheets (Graduation, Diploma, 10+2, Matric)
 - Character Certificate from Head of the Institution last attended
 - Migration Certificate
 - Three additional photographs
 - JEE Mains (Score Card)
 - Aadhar Card
 - Reserved certificate (if any)

Important Note:

All the certificates must submitted on or before the closing date, i.e. 30th June, 2018.

The formats of some of the required certificates are printed in the brochure for the guidance of the candidates. Separate certificates bearing the same information as specified in these sample formats are also acceptable. Original certificates, as prescribed, should be signed by the authorities mentioned therein, under the legible seal of office.

In case, a candidate does not receive the JEE Mains (Score Card) or the JEE result is delayed, the candidate must submit the application by the last date. The candidate must, however, produce the JEE Mains (Score Card) at the time of admission.

Eligibility

ADMISSION OF INTERNATIONAL STUDENTS

Admission of foreign Nationals/Persons of Indian Origin (PIOs) /Non- Resident Indians (NRIs) are as follows:-

GENERAL

The university agrees in principle to admit Foreign/NRI students to the Undergraduate and Post-Graduate programmes in different fields on full time basis.

CENTRE FOR FOREIGN/NRI STUDENTS (CFNS):

There will be a Centre for Foreign/NRI students (CFNS) set up at Chandigarh University as a single window to deal with admission and guidance of Foreign/NRI students. This Cell will not only control the admission of the students but will also provide necessary guidance for securing admission.

CATEGORY OF FOREIGN/NRI:

Foreign/NRI students are categorized as follows:

- Sponsored by the Govt. of India (through ICCR) on cultural exchange programme.
- Sponsored by the home country of the concerned Foreign/NRI students and/or funding agencies.
- Self-financing direct entry (with the clearance of Govt. of India) NRI students.

ELIGIBILITY QUALIFICATION:

The qualifications required for eligibility for admission to different programmes can be checked in detail from the prospectus or university website. The minimum educational qualification for admission of Foreign/NRI in various programmes is same as for Indians.

Only those students who have qualified from Foreign Universities or Boards of Higher Education, recognized as equivalent by the Association of Indian Universities (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalent.

OPEN AND RESERVED SEATS DISTRIBUTION

The number of seats in each course offered in the University Institutes, as announced, shall be strictly adhered to, as may be necessary on account of rounding off of fractions to accommodate reservations, as given below:-

Reserved Categories

15%	For candidates belonging to the Scheduled Castes
7.5%	For candidates belonging to the Scheduled Tribes

NOTE: Seats in reserved categories will be included in the general categories right from the beginning of the admission in case there were no candidates belonging to these categories available.

- The fee would be refunded only after the applicant has surrendered the original fee receipt, ID card (if issued) and any other documents, as required by the University at the time of refund.
- Once the form and payment receipt has been verified, deductions shall be made as per the University policy. Refund if any, shall be made only through online transfer in favor of the concerned applicant only. Hence it is important to ensure by the student that he/she fills correct banking details while submitting online application.

NOTE:

- The academic Semester is of 6 month i.e. July to December and January to June. Therefore, the calculation of refund/deduction (if applicable) shall start from July 1st of the relevant year.
- Monthly fee is equivalent to 1/6th of the total fee per semester.
- Fee refund process will be initiated within the 90 days of the commencement of the academic session (Date of Academic Session will be considered as the start of session).
- If the admission is withdrawn by the previous year student in mid-semester, the deduction will be made on pro-rata basis for the remaining semester.
- If the admission is withdrawn due to year back case, full semester fee paid for next semester will be refunded.
- Any exception to above will based on merit of the case and orders of Hon'ble Chancellor /Vice-Chancellor.
