LISTS OF DATES & EVENTS

The present petition is being filed under the Public Interest Litigation for redressal of the grievance of the public at large as the residents of Village Talwara Khurd as well as nearby villages are being suffering due to lack of water to their fields due to theft being committed in connivance of the official of the respondents-department and water could not reach as per their term through the water channel. The crops are being ruined every season. The present petitioners have already approached to the respondents on behalf of public at large by moving numerous representations to set aside the system and prevent the theft of water by big landowners in connivance with the officials respondents by burdening them with dire consequences.

3.8.2005

The present petitioners alongwith other inhabitants of Village Talwara Khurd, District Sirsa made a representation to the Deputy Commissioner, Sirsa by mentioning specifically non availability of water channel/moga etc. which come under the share of residents of Village Talwara Khurd as the water could not reach till the tale vide Annexure P-1.

5.8.2005

The administration is not taking any action, the petitioners made another representation by mentioning that the big landowners are making theft of water in connivance with the respondents-department as they had buried the 12 inches water pipe in the river to extract water. It is also mentioned that the residents of Village

Talwara and others make the agitation and will remain on hunger strike and the administration will be responsible vide Annexure P-2.

13.08.2005

Again no action has been taken then SGC Sangharsh Samiti has taken up the matter and written to the Deputy Commissioner and it has been said that the big landowners openly same that they are paying money to SDO for each water channel. It is further mentioned that 379 cubic water is to be released to the farmer of Talwara Khurd; but there is 145 cubic water is there which could not reach to the fields of the inhabitants of Village Talwara Khurd in the end. It has also been specified that there is two rivers and in both rivers 525 cubic water is being released; but due to theft, it could not reach to the tale of Talwara Khurd and other villages. It is said that the Sangharsh Samiti will initiate proceedings and remain on hunger strike vide Annexure P-3.

15.08.2005

Bhimsen as well as other inhabitants on behalf of Sangharsh Samiti written a letter to the Hon'ble Chief Minister by mentioning all the above said facts and asked to stop the theft of water vide Annexure P-4.

28.08.2005

No action has been taken by the present respondents. The Sangharsh Samiti was hold a meeting with SDO Elanabad decided to give 10 feet pipe alongwith pacca wall and one level of water will be made on the water channel/moga vide Annexure P-5.

13.06.2006

Farmer Committee, Talwara Khurd written a letter to the XEN that the water could not reach to the tale end of field of inhabitant so that the problem should be solved vide Annexure P-6.

14.07.2011

The proceedings remained intact by the Sangarsh Samiti as well as inhabitants of Village Talwara Khurd; but due to the illegal channel/moga are being operated in connivance with the officials of the respondents. A request was made to inquire into the matter vide Annexure P-7.

15.03.2013

The inhabitant moved an application to the SDO, Elanabad by mentioning that XEN and JE etc. are conniving with the big landowners. It is also mentioned that numerous complaint has been made; but no action has been taken which is depriving the present petitioner from the relief of getting water till the end of the tale in Village Talwara Khurd vide Annexure P-8.

19.07.2013

The respondents have not taken any action. The inhabitants made a representation to the SHO, PS Elanabad that the person, who are having illegal water channel/moga. The SHO instead of taking any action threatened the inhabitant and no action taken, which described vide Annexure P-9.

04.08.2013

A detailed representation has been made through Kisan Sangharsh Samiti, Elanabad to the Superintending Engineer, Sirsa that till O2 to Head only 75 cubic water has been reached and 118 cubic water are being stolen by making more than 100 illegal water channel and right

of the inhabitant of Village Talwara Khurd, Mauju Khera, Dhani Mauju, Beharwala, Dholpalia, Dhani Shera etc. are being taken away by opening the illegal mogas/water channel. It is also mentioned that JE Raghubir Singh disclosed in this regard on phone; but no action has been taken. This has been disclosed vide Annexure P-10.

08.08.2014

The inhabitants through Sangharsh Samiti made representation to take action against the persons, who are running illegal unauthorized water channels/moga, otherwise the inhabitant will make the agitation vide Annexure P-11.

02.09.2014

The inhabitant alongwith Sangharash Samiti farmers of many villages made representation by disclosing all the above said facts vide Annexure P-12; but no action has been taken. Again one more representation was made to the Deputy Commissioner vide Annexure P-13.

25.02.2015

Numerous representations have been made by the inhabitants to the higher officers as well as to the present respondents and everything has been explained through the representations Annexure P-14 to P-16. The news item was published with regard to agitation against the big landowners regarding theft of water, which will be shown at the time of arguments; but no action has been taken by the present respondents. The crops are being ruined of the inhabitants of the villages Talwara Khurd, Mauju Khera, Dhani Mauju, Beharwala, Dholpalia, Dhani Shera etc.

That the provisions of Haryana Canal and Drainage Act, 1974 are being violated. The relevant provisions being reproduced in para No.20, 21 with regard to taking action against the illegal channel etc. from page No.19 to page 24.

That the present petitioners under the public interest litigation is being filed after complying with the judgment passed by this Hon'ble Court to file the public interest litigation. The present petitioners have already approached to the higher authority by moving the representation to the higher officials. The assurance was given; but no solution has been found till today with regard to illegal water courses are being run by the big landowners, who are making theft of the water and irrigating their fields and depriving the present petitioners from using the water of river as their fields are in the end or in the far away from the fields of big landowners. The present petitioners have already accompanied the officials and shown the illegal water channel are being run; but due to a lack of strict action by the respondents, the big landowners accustomed to making theft.

05.09.2016

Hence the writ petition is being filed.

Civil Writ Petition under Articles 226/227 of Constitution of India for issuance of a writ in the nature of certiorari, mandamus and any other appropriate writ petition for quashing of the action of the respondents for not taking any action to channelize the warabandi allotted to the petitioners/inhabitants of Village Talwara Khurds and others villages falls under Block Elanabad, District Sirsa as well as not taking any action on the complaints made by the present petitioners and other inhabitants that the landowners nearby the river are making theft of water by carving out illegal Moga (Water Channel) for their own benefits in connivance with the officials of the irrigation department-present respondent due to which the crops of the inhabitants of the area have been ruined due to lack of water for the last many years and further directing the respondents to channelize the Warabadi to the inhabitant of the area Village Talwara, whom fields fall in the SGC Canal and Bhakra Canal and further directing the respondents to take action against the persons, who are making theft of the water by putting illegal water channel (Moga) in connivance with the officials and further directing the

respondents to provide water as provisions of Haryana Canal and Drainage Act, 1974 and rules framed thereunder; further directing the respondents to take action as well as inquired into the matter as the present petitioners as well as other inhabitants has made many representations to the present respondents as well as higher authorities; but no action has been taken by the respondents till today. Any other writ, order or direction which this Hon'ble Court may deem fit and proper in the circumstances of the case may kindly be issued in favour of the petitioners against the respondents.

RESPECTFULLY SHOWETH:

- 1. That the petitioners are residents of Village Talwara, Distt. Sirsa as mentioned in the head of the petition in the State of Haryana and being citizen of India are entitled to invoke the extra ordinary writ jurisdiction by filing a petition in the public interest in this Hon'ble Court for the redressal of grievances of the public at large specifically residents of Village Talwara, District Sirsa.
- 2. That the brief facts of the case are that present petitioners, who are residents of the Village Talwara, District Sirsa are suffering due non availability water in the water channel/Moga etc. allotted to the inhabitants of Village Talwara as well as not taking any action by the present respondents on the representation made by the inhabitants/present petitioners of Village Talwara, District Sirsa with

- regard to theft of water by the inhabitant, who have been specifically mentioned in the representation.
- 3. That the inhabitant of Village Talwara Khurd has moved an application to the Deputy Commissioner, Sirsa with the averment that the water is not being reached to their village and they had already moved one application in the irrigation department and the Executive Engineer has given assurance as well as given direction to take appropriate proceedings; but the same has not be complied with and no proceedings has been taken. It is further mentioned that there is a great loss to the farmers and they will be forced to initiate agitation and the administration will be responsible for the same and request was made to make arrangement so that they should get the water from South Ghagar River. A copy of the application dated 3.8.2005 is attached herewith the petition as Annexure P-1 and its true translation is P-1/T.
- That the Administration has not taken any action on the representation made by the inhabitant including the petitioners. The petitioner again made a representation on 5.8.2005, which was duly signed by many numbers of inhabitants. It has been mentioned that the big landlords have already buried the 12 inches pipe in the river itself and making theft of the water in connivance with the officials. It has also been mentioned that one application has been given to the Deputy Commissioner. The Executive Officer was asked to initiate the proceedings; but the Executive Engineer has not taken any action, which causing loss to the framers due to shortage of water. It has been further mentioned that on 3rd August, 2005, the application was moved; but no arrangement has been made and request was made, if there are authorized water channel that should be make

pacca, otherwise the farmer will agitate and will remain on hunger strike and the administration will be responsible for the same. A copy of the letter dated 5.8.2005 is attached herewith the petition as **Annexure P-2** and its true translation is P-2/T.

- 5. That the SGC Sangarsh Samiti, Talwara Khurd alongwith the some of the petitioners has again written a letter to the Deputy Commissioner by mentioning that no action has been taken and assurance was given that the illegal water channel which has been opened by the big landowners will be closed; but nothing has been done by the administration. It is being done in connivance with the officials of the department. The big landowners/some of the peoples used to say openly in the general public that they are paying money to the SDO. SGC for each water channel although as per the kachha SGC, there is a 379 cubic water and in the pacca river only 1.45 cubic water. which could not be reached to the fields of the present petitioners and other inhabitants of Village Talwara Khurd in the end. Request was made that in both the rivers 525 cubic water is being released and account of this water is to be demanded, if any official found guilty, a strict legal action be taken against him. Otherwise, the Sangharsh Samiti will initiate the proceedings as well as sit on the hunger strike. A copy of the letter dated 13.8.2005 is attached herewith the petition as Annexure P-3 and its true translation is P-3/T.
- 6. That the present petitioners as well as Bhim Sein on behalf of SGC Sangharsh Samiti written a letter to the Hon'ble Chief Minister, Government of Haryana, Chandigarh through Sub Divisional Officer, Elanabad, Sirsa by mentioning all the above said facts. It is also mentioned that on 13.08.2005 SGC Sangharsh Samiti have themselves inspected the spot. There was shortage of water in the

kacha and pacca river; but the officials are saying that there is a 529 cubic water in both the rivers. This report has been given by the official while sitting in the office. It is also said that if the demands with regard to stoppage of theft of water has not been accepted the administration, the Sangharsh Samiti will go on hunger strike. A copy of the application dated 15.8.2005 is attached herewith the petition as **Annexure P-4** and its true translation is P-4/T.

- 7. That one sitting was given in the presence of Sub Divisional Officer, Elanabad between the Sangharsh Samiti, residents of different villages. It has been decided on 18.8.2005 in the meeting that the water channel which will be given alongwith 10 feet pipe in length alongwith pacca wall and no lift pump will be installed near the boundary of the river, one level of the water will be made on the Moga No.98000 and water of flow will be given to the tail Moga No.100380 and 98000 on the pacca river over flow size and one committee was also constituted in this regard. A copy of the proceedings dated 28.8.2005 which was signed by the Sub Divisional officer, Elanabad, SDO, JE of Irrigation Department is attached herewith the petition as Annexure P-5 and its true translation is P-5/T.
- 8. That the farmer committee Talwara has written a letter to the XEN, Irrigation Department, Ghagar Division, Sirsa. It is said that there are bushes in the river, which are to be cleaned so that the flow of water could reach to the end tail of the field of the inhabitants and there is oversize water channel, which have been installed deep in the earth from the level of the river and this problem is to be solved by the irrigation department. A copy of the letter dated 13.6.2006 is attached herewith the petition as **Annexure P-6** and its true translation is P-6/T.

- That the committee as well as Sangharsh Samiti, Elanabad alongwith 9. other inhabitants again made a request with regard to theft of water in the Kishanpura minor. Therefore, the water could not be reached to the end tale. The request was made by the inhabitants to clean the river/minor so that the water could reach to the tale; but there are illegal water channel in connivance with the department. Therefore, the present petitioner as well as other inhabitants could not get the water. The JE Sh. Kalra under the influence farmers allowing theft of water and the poor farmers are spending more to get the water by running their diesel engine. Request was made to enquire the matter from the Vigilance department and water could be reached to end tale of the aggrieved farmers. A copy of the representation dated 14.7.2011 is attached herewith the petition as Annexure P-7 and its true translation is P-7/T.
- 10. That the present petitioners and other inhabitants had moved one application to the Sub Divisional Officer (Civil) Elanabad, District Sirsa to take action against the XEN and SDO, who are connived with the persons, who are making theft of water in the irrigation department. It is specifically said that they are also irrigating the land from the water channel SGC Canal and there are water channel; but the water could not reach to their fields due to the theft made by the inhabitants in connivance with the official of the irrigation department. It has been specifically mentioned in the representation that the official-present respondents had sold the water by facilitating the inhabitants to open the Moga over size without any allotment. It has also been mentioned that in this regard, one complaint has been made; but no action has been taken by the present respondents, due to which the crops of the present petitioners and other inhabitants had been ruined as their

fields falls on the water channel 100380 in lack of water. It has also been mentioned that the damages should be provided to the present petitioners and other inhabitants. A copy of the application made to the Sub Divisional Officer (Civil) dated 15.3.2013 is attached herewith the petition as **Annexure P-8** and its true translation is P-8/T.

- 11. That the present respondents have not taken any action on the representation. The present petitioners alongwith Sarpanch Gurmel Singh Mahant, Gram Panchayat Ther Daya Singh, Tehsil Elanabad also moved one application for taking action against the SHO, Police Station Elanabad to eliminate the residents of Village Talwara Khurd. It has been mentioned in the representation that on the last year also the water could not reach to the Village Talwara Khurd in the canal of SGC Faldi. The administration has not taken any action. Therefore, a procession has taken place and dharna was made in this regard by the residents of Talwara Khurd on SGC Canal. Even the person, who are having unauthorized Moga/Water Channel have come on the spot and threatened to eliminate them, who were named in the representation as well as stated that the SHO has given threatening to the resident of Village Talwara Khurd instead of taking action against the unauthorized water channel possessors. Therefore, the application was made to take legal action against the person as well as life and liberty of the residents should be protected. A copy of the representation dated 19.7.2013 is attached herewith the petition as Annexure P-9 and its true translation is P-9/T.
- 12. That the present respondents have not taken any action on the representation made by the present petitioners and other inhabitants. The present petitioners again made representation through SGC Kisan Sangharsh Samiti, Elanabad to the Superintending Engineer,

Canal Colony, Sirsa for taking water from Bhakra. It is said in the representation that all the farmers belong to Elanabad Block. The water has been released from Bhakra River for irrigation from 15.7.2014 to 2.8.2014; but till O2 to Head only 75% cubic water has been reached, otherwise 193 cubic water has been released from Bhakra Beas. The rest of 118 cubic water has been stolen by making more than 100 illegal Moga/Water Channels from AD Head to O2 head. Therefore, the right of the inhabitant, who are residing nearby the river from Village Talwara Khurd, Mauju Khera, Dhani Mauju, Beharwala, Dhaulpalia, Dhani Shera etc. There are illegal water channel/mogas from Village Talwara Khurd to Budi Medi Head 3 illegal water channel near Burji No.98000 of Talwara Khurd, Burji No.99000 of Budi Medi had been shown to SDO Dhoop Singh at the spot. It is further mentioned that till today these are being continuing which create a question mark of connivance of higher officials. This fact was brought in the knowledge of SDM Elanabad; but no action has been taken in this regard. Today on 3.8.2014, lastly the conversation was made with JE Raghuvir Singh on phone to uproof these water channels. He admitted that these water channels are illegal and rights of the petitioners and other inhabitants had been infringed; but he shows his helplessness to uproot the illegal water channel without interference of higher officers. The representation was made to the Superintending Engineer with the request to uproot the illegal water channels and proceedings be initiated against the defaulted persons, otherwise, SGC Kisan Sanghara Samiti will made procession as well as sit on the hunger strike for indefinite period on 7.8.2014. A copy of the representation dated 4.8.2014 is attached

herewith the petition as **Annexure P-10** and its true translation is P-10/T.

- 13. That the present petitioners through SGC Kisan Sanghara Samiti made representation for preventing the theft as well as removing the illegal water channel as well as taking necessary action against the alleged person. The present petitioners and other inhabitants have also written letter to the District Magistrate, Sirsa that SGC Kisan Sangharsha Samiti, Block Elanabad made a request to take action against the persons, who are running illegal unauthorized water channel. Therefore, water could not reach to the present petitioners and other inhabitants and this is being happened for the last many years. It is also appraised that Sh. Bhim Sen Sai is on hunger strike in the office of Superintending Engineer, Irrigation Department, Sirsa since 7.8.2014 and his condition has become worst due to summer season; but the administration has not taken any action. Request was made to take action and save from mis-happening. A copy of the representation dated 8.8.2014 is attached herewith the petition as Annexure P-11 and its true translation is P-11/T.
- 14. That a present petitioners again made representation on 2.9.2014 by giving the instance of procession and dharna as well as struggle being made by the farmers of the Village Talwara Khurd, Beharwala, Dhaul Palia, Kashi Ka Baas, Shera Wali Dhani etc.; but no solution has been find out. The farmers have illegal water channel/mogas in the SGC Canal and no action has been taken. The Sub Divisional Officer (Civil) Elanabad has given assurance on the spot on 26.8.2014; but no illegal water channel/mogas had been uprooted till 2.9.2014. It is further said that after making inquiry, the illegal channel are to be uprooted and the accused persons should be

punished. A copy of the representation dated 02.09.2014 is attached herewith the petition as **Annexure P-12** and its true translation is P-12/T.

- 15. That the present petitioners again made representation to the Deputy Commissioner, Sirsa by explaining that the struggle is being done by Talwara Sangharsh Samiti and it is further mentioned that in this regard, the written representation has been made to all the officers from lower level to upper level to give order to the officials to take action to uproot the illegal water channel so that the water could reach to the village Talwara Khurd so that the farmer could be saved their lives. A copy of the representation dated 14.9.2014 is attached herewith the petition as **Annexure P-13** and its true translation is P-13/T.
- 16. That the present petitioners through anti-corruption club Talwara Khurd as well as inhabitant of Talwara Khurd made representation for stoppage of theft of water as well as illegal water channel in the river SGC. The present petitioner explained all the things that JE as well as SDO were shown the illegal running water channels due to which the inhabitant could not get their water. It has been said that the illegal channels are being run at the instance of the officials of the irrigation department; but the present petitioners are suffering for the same. It has been said that the procession and dharna were being made by the inhabitants as well as villagers; but no action has been taken. It is further mentioned that this matter is to be dealt with seriously, otherwise, the serious result will come out and Bhim Sen Sai representative of the Anti-Corruption Club Talwara mentioned that he can go for fast till death and the administration will be responsible.

- A copy of the representation dated 25.02.2015 is attached herewith the petition as **Annexure P-14** and its true translation is P-14/T.
- 17. That the inhabitants again made representation to the Irrigation Department and Engineer in Chief, Irrigation Department by mentioning the difficulties being suffered by the farmers due to theft of water by the big landowners as well as running the illegal water channel in connivance with the officials of irrigation department. The crops are being damaged due to shortage of water. It is further mentioned that the inhabitants are suffering and there is a futile exercise for making a slogan of the Government to give water to every field. A copy of the representation dated 6.7.2015 is attached herewith the petition as Annexure P-15 (Colly) and its true translation is P-15/T (Colly).
- 18. That the present petitioners again made representation to the XEN, Irrigation Department, Sub Division, Sirsa by explaining all the above said facts as well as showing the shortage of water to the residents of inhabitants of Talwara Khurd etc. The representation was also sent to the Superintending Engineer, Irrigation Department, Deputy Commissioner, Sirsa and to the Hon'ble Chief Minister on the CM Window. Copies of the representations dated 2.8.2016 are attached herewith the petition as Annexure P-16 (Colly) and its true translation is P-16/T (Colly).
- 19. That the news are being published in the newspaper since 2010. The same have got been pasted by the present petitioners in one register and the same will be shown at the time of argument to this Hon'ble Court. It is pertinent to mention here that the grievance of the present petitioners has already been detailed in the news item and it has been specifically mentioned that there is a theft of water by the big land

owners in connivance with the officials of the respondent department. Numerous applications have been moved; but no action is being taken by the present respondents. The public interest inhabitants of the Village Talwara Khurd is being effected from the last many years as their crops are being ruined due to lack of water and theft is being committed in connivance with the officials of the respondent-department.

20. That as per the provisions of the Haryana Canal and Drainage Act, 1974 (hereinafter called as 'Drainage Act, 1974', the Deputy Collector can pass the order to use and distribution of water from a water course among the persons in any estate or a group of estates or in the holding or group of holding in each estates or states. The proviso has been given that no such order shall be passed by the Deputy Collector without making any inquiry into the matter and without giving notice to the person interested that on day to be named in a such notice, the deputy collector shall proceed to enquire into the said matter. It is also mentioned in the provisions of the Section 55 that the differences arises between the two or more person in regard to their mutual right and liability, the such person may apply to the deputy collector with regard to dispute and the Deputy Collector passed the order and it is said that the appeal lies to the Divisional Canal Officer. It is further mentioned that the Superintendent Canal Officer can take the action suo moto or any application made in this behalf by an aggrieved person, revision an order passed in appeal or pass such like order as deem fit under the provisions of the Act. The provision of Section 55 is reproduced as under:-

"55. Power of Deputy Collector to order use or distribution of water and settlement of differences.- (1) The Deputy Collector

may, if in his opinion it is necessary so to do, pass an order as to the use or distribution of water from a water-course amongst persons in any estate or a group of estates or in any holding or group of holdings in such estate or states:

Provided that no such order shall be passed by the Deputy Collector without making any inquiry into the matter and without giving a notice to all the persons interested that on a day to be named in such notice, he shall proceed to inquire into the said matters.

- (2) Whenever a difference arises between two or more persons in regard to their mutual rights or liabilities in respect of the use, construction or maintenance of a watercourse, any such person may apply in writing to the Deputy Collector stating the matter in dispute.
- (3) On receipt of an application under sub-section(2) the Deputy Collector shall give notice to the other persons interested that on a day to be named in such notice he shall proceed to inquire into the said matter and after the inquiry he shall pass an order thereon.
- (4) An order passed under sub-section (1) or sub-section (3) as to the use or distribution of water for any crop sown or growing at the time when such order is made or with regard to the construction or maintenance of a watercourse shall, subject to an order passed on appeal or revision under sub-section (5) and (6) be final.
- (5) An appeal shall lie to the Divisional Canal Officer against an order referred to in sub-section (4) within a period of thirty days from the date of such order.

(6) The Superintending Canal Officer within whose jurisdiction the watercourse is situated may, suo motu or an application made in this behalf by an aggrieved person, revise an order passed in appeal by a Divisional Canal Officer under Sub-Section (5).

Provided that no such application shall lie unless it is made within a period of thirty days from the date of such order.

(7) No order passed under this section shall be liable to be called in question in any Civil Court."

A bare perusal of the above said provision shows that the aggrieved party has to move an application or the higher officials can take the action against the defaulted persons suo moto; but in the instant case, numerous representations have been made as well as dharna, hunger strike have already been adopted; but no solution has been made by the present respondent although numerous complaint has been made by the present petitioners.

- 21. That as per the provisions of the Drainage Act, 1974, the penalties even sentence can be awarded to the defaulted persons, if any offence is committed with regard to damage, alter, enlarge, construct any canal or drainage work interfere with increase or diminishes, the supply of water in or flow of the water etc. The person can be arrested, fine can be imposed even sentence upto six months have also been imposed to the defaulted persons, who committed the offence under the Drainage Act, 1974. The provisions of under Sections 58 to 62 deals with the offences and penalties under the Drainage Act, 1974, which are reproduced as under:-
 - "58. Offences under the Act.- Whoever, without proper authority, does any of the following acts:-

- 59. Saving of prosecution under other laws.- Nothing herein contained shall prevent any person from being prosecution under any other law for any offence punishable under this Act.
- 60. Protection of action taken in good faith.- (1) No suit prosecution or other legal proceedings shall lie against any person in respect of anything which is in good faith done or intended to be done in pursuance of this Act or any rules or orders made thereunder.
- (2) No suit or other legal preceding shall lie against the State Government or any other person in respect of any damage caused or likely to be caused by anything which is in good faith done or intended to be done in pursuance of this Act or rules or orders made thereunder.
- 61. Compensation to the person injured.- Whenever any person is fined for an offence under this Act, the Magistrate may direct that the whole or any part of such fine may be paid by way of compensation to the person injured by such offence.
- 62. Power to arrest without warrant.- Any person in charge of or employed upon any canal or drainage work may remove from

the lands or building belonging thereto, or may take into custody without a warrant and take forthwith before a Magistrate or to the nearest police station, to the dealt with according to law, any person who, within his view, commits any of the following offences:-

- (a) willfully damages or obstructs any canal or drainage work;
- (b) without proper authority interferes with the supply or flow of water in or from any canal or drainage work, or in any river or stream, so as to endanger, damage or render less useful any canal or drainage work."
- 22. That the present writ petition is being filed for redressal of grievance so public at large as the water courses/channels are being illegally run by the big land owners in connivance with the respondent-department, so many representations have been made to the higher officials as well as to the Government of Haryana, Irrigation Department; but no solution has been find out by the present respondents. Therefore, at the last, this writ petition is being filed in the public interest to save the misuse of canal water by big land owners. Therefore, a specific direction is deserved to be given to the present respondents to take necessary steps for stopping the theft of waters.
- 23. That the action of the official respondents who are not taking any action against the big land owners. The present petitioners are running from pillar to post to get justice. They are agitating since 2005; but no action has been taken by the present respondents. The illegal water channel/watercourse are being run till today. If a local commissioner at the expenses of the present petitioners be appointed with the help of police, everything will be clear. The present

petitioners, who are inhabitants of the Village Talwara Khurd as well as nearby villages, who are suffering due to the reason that the water of the river could not reach to their fields as being theft by the big landowners by installing illegal water course/water channel without any authority in connivance with the present respondents. Therefore, a specific direction is deserve to be given to take action against the persons, who are running illegal watercourse/water channel. The present respondents on representation have not taken any action only assurance are being given; but no effective steps have been taken. The present petitioners, who are having the public cause have no other option; but to approach this Hon'ble Court by filing the present writ petition for redressal of grievances of the public at large. Therefore, the officials respondents are deserved to be directed to take action against the big landowners as well as persons, who are illegally extracting water from the main river.

24. That the present petitioners under the public interest litigation is being filed after complying with the judgment passed by this Hon'ble Court to file the public interest litigation. The present petitioners have already approached to the higher authority by moving the representation to the higher officials. The assurance was given; but no solution has been found till today with regard to illegal water courses are being run by the big landowners, who are making theft of the water and irrigating their fields and depriving the present petitioners from using the water of river as their fields are in the end or in the far away from the fields of big landowners. The present petitioners have already accompanied the officials and shown the illegal water channel are being run; but due to a lack of strict action by the respondents, the big landowners accustomed to making theft.

- That the present petitioners have right to irrigate the land through the 25. water channel as they are paying the revenue to the revenue department regarding irrigating their fields. There is a shortage of water in the river due to illegal water course, which have already been explained in the writ petition as well as appraised to the present respondents by meeting them personally. The agitation has been done by the present petitioners, resident of Village Talwara Khurd, even they were remained on hunger strike; but no action has been taken by the present respondents. Therefore, the action of the present respondents is not taking the action against the persons, who are making the theft of water are illegal, arbitrary, against the principle of natural justice and violative of provisions of Drainage Act, 1974. A strict action is deserve to be taken against the persons, who are extracting water illegally from the river through illegal water courses/ water channels.
- 26. That the main law points involved in the present writ petition for kind consideration of this Hon'ble Court are mentioned as under:
 - taking the action of the present respondents is not taking the action against the persons, who are making the theft of water are illegal, arbitrary, against the principle of natural justice and violative of provisions of Drainage Act, 1974?
 - ii) Whether a strict action is deserve to be taken against the persons, who are extracting water illegally from the river through illegal water courses/ water channels without any permission, authorization, in connivance of the officials of the respondent-department?
 - ii) Whether a strict action is deserve to be taken against the present respondents, who are not complying with the

provisions of Drainage Act, 1974 inspite of representations by the present petitioners and other inhabitants of the village?

- iii) Whether the present writ petition is maintainable in public interest litigation as illegal water courses are being run in violation of the provisions of the Drainage Act, 1974 as well as depriving the present petitioners and other inhabitants, who are having their right to irrigate their fields through the river water lawfully?
- iv) Whether penal action is deserved to be taken by the official respondents against the big land owners and other persons, who are running the illegal water channel without any authority under the law?
- v) Whether manifest injustice has been caused to the public at large by running illegal water channel by the farmers depriving the present petitioners and other inhabitants of Village Talwara Khurd etc. from the flow of water to irrigate their fields?
- 27. That the petitioners have not filed any such or similar petition in this Hon'ble Court or in the Hon'ble Supreme Court of India.
- 28. That the petitioners have no other remedy except to approach this Hon'ble Court by filing the present petition. No revision or appeal is maintainable against the impugned order of the respondents.

In view of the above said facts and circumstances of the case, it is, therefore, respectfully prayed that the record of the case may kindly be summoned and after perusing the same, this Hon'ble Court may please to issue:-

a writ in the nature of certiorari, mandamus and any other appropriate writ petition for quashing of the action of the respondents for not taking any action to channelize the warabandi allotted to the petitioners/inhabitants of Village Talwara Khurds and others villages falls under Block Elanabad, District Sirsa as well as not taking any action on the complaints made by the present petitioners and other inhabitants that the landowners nearby the river are making theft of water by carving out illegal Moga (Water Channel) for their own benefits in connivance with the officials of the irrigation departmentpresent respondent due to which the crops of the inhabitants of the area have been ruined due to lack of water for the last many years and further directing the respondents to channelize the Warabadi to the inhabitant of the area Village Talwara, whom fields fall in the SGC Canal and Bhakra Canal and further directing the respondents to take action against the persons, who are making theft of the water by putting illegal water channel (Moga) in connivance with the officials and further directing the respondents to provide water as per provisions of Haryana Canal and Drainage Act, 1974 and rules framed thereunder; further directing the respondents to take action as well as inquired into the matter as the present petitioners as well as other inhabitants has made so many representations to the present respondents as well as higher authorities; but no action has been taken by the respondents till today:

Subject:- Regarding reaching water towards tale of South Gaghar canal.

Sir,

It is requested that on 28th July, 2005, water was opened in South Ghaghar canal. In this area, big farmers have grabbed 12-12 inchs pipe illegally, due to which the water could not reach at our fields situated at tale. In this regard, we given one application dated 1st August, 2005 to Deputy Commissioner requesting therein for correcting above water circles and demanded for water towards out fields.

Taking action on applications Deputy Commissioner directed Executive Officer of Canal Department for initiating appropriate action; but the concerned Executive Officer showed his inability to proceed into the matter and did not obliged the directions of Deputy Commissioner. Due to which the water could not reach towards fields of farmers situated at tale and in the absence of water, the crop is being ruined.

Thereafter, on 3.08.2005, again we appeal to Deputy Commissioner by making an application for getting water reached at our fields situated at tale of south ghaghar canal; but till today the water could not reach at our fields. Therefore, the farmers of this area after getting harassed have come on roads. Through present ultimatum our demand is that arrangements be done for getting the water reach in our fields situated at tale immediately. Along with above illegal water channel connected to pakki wall as per permited size so that the same could not extend illegally. If

the above demands would not be completed till next 09.08.2005 then from 10.08.2005 hundred farmers of this area would sit on indefinite hunger strike outside the office of sub divisional officer(c) Elanabad. For which administrative would be responsible.

Therefore it is requested that after taking immediate action in this matter the demands of poor farmers will be fulfill.

Subject:- Regarding providing water to its tale by preventing continuously theft of water from kishanpura miner in district Sirsa

Sir

It is requested that we all are farmers of fields adjoining to tale of kishanpura miner, south ghagar canal. This miner has not cleaned from many days. We met the official again and again and demanded getting at clean but none has taken care of. After that we farmers our self have cleaned the river and the water reached to the tale. In this miner the water channels were allotted by the department measuring size of 3 inches, but some powerful persons illegally installed 6-8 inches water channels and committed theft of water. Because of this, water could not reach to the tale and the government is facing loss of revenue. If from O2 head 500 cubic water be released, water can be reach on the tale. But at present water did not reach at tale despite 800 cubic release of water. The condition of miner of is very bad and it can be damaged at any time due to overflow.

It is requested that one Junior Engineer Sh. Kalra allowing theft of water to the big farmers and did not solve the problems of poor farmers. Due to lack of water our crops are being ruined. For saving the crops the farmers are using diesel fuel on costly price.

we have conveyed local and district official of department many time regarding this problem but nobody is taking care of our problems. It is Requested to enquire into the matter from the Vigilance department and water could be reached to end tale of the aggrieved farmers. we shall be highly obliged.

Subject:- Regarding initiate departmental proceedings against XEN and SDO of Irrigation Department for aiding in committing theft of water of SGC canal.

Sir,

It is submitted that the residents of village Talwara Khurd, Tehsil Elanabad, District Sirsa and request you that the SGC Canal, which is in our village fields are being irrigated through its water. This time inspite of having water at back, we are not getting water and prior to that when on 25.6.2013, water came then it could not reach to the tale of our village. The reason is that above accused employees has sold the water by opening temporary water channels and are selling the same till today. Due to which our fields are not getting water. Earlier, we made complaint with the department in this regard; but till today no action has been taken. On the tale 100380 in the area of farmers, crops are being spoiled for which XEN and SDO are guilty. By taking action against above accused, compensation be given for the crops which has been spoiled, otherwise we will initiate rebel for which administration would be responsible.

Therefore, it is humbly request that compensation be given by taking action against above accused and process of theft of water in the canal be prevented. Will be highly obliged.

Thanks.

Sir

It is requested that the flooded water could not reach to SGC Flooded Canal since last many years, complaint of which was submitted to Administration repeatedly, inspite of same no action has been taken. From the last 5 days, the peoples of Village Talwara Khurd given protest as SGC Canal. Due to which, officers of Canal Department agreed to uninstall the illegal pipes, because of which today on 19.7.2013, with the help of department, the Canal Department has started uninstalling illegal pipes. Tried to stop the Canal Department, thereafter, they reached at the place of protest in the gathering of hundred and started abusing the peoples sitting on protest and threatened to kill. In these peoples, Pala son of Gopal Singh, caste Jat Sikh and his son and his brother Gurjant Singh and Maujoo Ki Dhani Tohbariya, Amritsar, Maujoo Khera, Budhimari, to whom we can identify; but not known to their names. At the place of protest alongwith above accused, SHO, PS was also present. The SHO rather taking action against the accused persons, started threatening the peoples, who were sitting peacefully on protest and said that conclude the protest, otherwise legal action be taken.

Therefore, it is requested to your goodself that after taking legal action against the above said accused persons by protecting the

fundamental rights of the peoples sitting on protest assure their life and liberty.

Regarding right of water of Bhakra.

Sir

We are farmers are the residents of Block Elanabad. Recently dated 15.7.2014 to 2.8.2014, 193 cubic water was released from Rodhi Head Bhakra, only 75 cubic water has been reached at O2 Head. The rest 118 cubic water has been stolen by the illegal water channels 100 in numbersin between Rodhi Head to O2 Head, due to which right of Talwara Khurd, Maujoo Khera, Dhani Maujoo Ki, Beharwala, Dholpalia, Dhani Shera etc. villages situated on tale, has been infringed. SDO Dhoop Singh has been shown three illegal water channels from Talwara Khurd to Budhi Merhi Head i.e. Talwara Khurd Pillar No.98000, Budhi Merhi Pillar No.99000 at the spot and till today these water channels are continuously run, which point out the connivance of the higher officials. This dispute has been taken into consideration of SDM, Elanabad; but he has not even taken any action. Today on 3.8.14, last time when JE Raghubir Singh was told over telephone to uninstall water channel then showing his inability on the pretext. I assume that above all water channels are illegal and our rights is being infringed; but the inference of higher officials, uninstallation of water channel is outside my jurisdiction. From their statement, the same smells clear case of corruption. Therefore, today with this symbolic protest, it is requested to uninstall these illegal water channels as soon as possible and action be taken against

accused persons, otherwise under the leadership of Bhimsen Sai, SGC Kisan Sangharsh Samiti will go on indefinite hunger strike from 7.8.14 in front of your office, for which you shall be responsible.

Subject:- Ultimatum letter.

Sir.

It is requested that with regard to SGC Pakki as well as Kachi Canal from 21.8.2014, the protest of farmers is going on, which from last five years, the villagers of Talwara Khurd, Beharwala, Dholpalia, Kashi Ka Baas, Sherawali Dhani are initiating agitation repeatedly; but no solution has been given for this problem. In SGC canal, the farmers have installed illegal water channel, against this the administration is not taking any action, due to which the farmers are blocking the road again and again. On 26.8.2014, Sub Divisional Officer (C), Elanabad has given assurance by reaching at spot that till 31.8.2014, Sunday all illegal water channels would be uninstalled and would be leveled as correct as per their size; but inspite this, the administration has not taken any action. The farmers are being provoked from agitation as well as blocking road. The farmers keep on demanding from administration by leaving work of their fields.

Therefore, it is requested to uninstall the illegal water channels in SGC Canal by initiating high level inquiry and appropriate action be taken against the guilty officers so that the farmers could be prevented from blocking the roads and agitation.

Regarding theft of water and illegal water channel installing in

SGC Canal

Sir

With regard to subject as mentioned above it is requested that applicant is resident of Talwara Khurd Tehsil Elanabad District Sirsa. The area of applicant is situated on water channel no.100380 tale SGC. The problem of applicant is that from since last many years less water remain at our tale due to which our crops are not getting full water since many years. In this regard irrigation department has been told verbal as well as written but concerned field staff, executive engineer and SDO all are in connivance with in the scandal because they could not see less water at our tale. The farmers and baildar who are bribing J.E SDO and XEN do not suffer problem of less water for example earlier from our village, Himayu Kheda Mouja Kheda, Partap Nagar ,Bhudi Madi Mouja Ki Dhani, Amritsar Khu etc villages were getting from two canals. The farmers of these villages has installed one water channel legal and another illegal at the instance of officers. Resulting the losses are being suffered by us and our income and quantity of crops is Lessing down. All officers posted at this canal has been bribed by floating crouption earlier also we have agitated regarding this problem many times. But officers of irrigation department has become in greed of money. Open inquiry would bring out the surprising true facts. Therefore dealing this matter seriously action be taken with immediate action otherwise the farmers of tale are that much frustrated which could bring serious consequences' of any type in future for which employees/

officers failed in performing their work in a proper manner. In case of taking no immediate action I, will go for fast till death outside your office and in case of any loss of life and liberty occurred to me, you shall be responsible personally.

विषय : दक्षिणी घग्घर नहर के टेल पर पानी पहुंचाए जाने बारे।

श्रीमान् जी,

निवेदन है कि दिनांक दक्षिणी घग्घर नहर में 28 जुलाई 2005 को पानी छोड़ा गया था। इस क्षेत्र में बड़े किसानों ने नाजायज तौर पर 12-12 इंच के पाईप दबा रखे हैं। जिसके कारण टेल पर स्थित हमारे खेतों पर पानी नहीं पहुंचा। इस संबंध में हमने दिनांक 1 अगस्त 2005 को जिला उपायुक्त को एक प्रार्थनापत्र देकर उक्त मोगियों को तुरंत ठीक करवाए जाने तथा हमारे खेतों में पानी पहुंचाने की मांग की थी।

जिला उपायुक्त ने प्रार्थनायन पर कार्यवाठी करते हुए नहरी विभाग के कार्यकारी अभियंता को इस संबंध में उचित कार्यवाठी करने के निर्देश दिए। लेकिन संबंधित कार्यकारी अभियंता ने इस मामले में कार्यवाठी करने में अपने आप को असमर्थ बताते हुए जिला उपायुक्त के आदेशों पर कोई कार्यवाठी नहीं की जिससे टेल पर स्थित किसानों के खेतों- में सिंचाई पानी नहीं पहुंचा और फसलें जलाभाव में लगातार सूखती जा रही है।

इसके बाद हमने गत 3 अगस्त 2005 को जिला उपायुक्त को पुनः प्रार्थनापत्र देकर दक्षिणी घण्यर नहर के टेल पर स्थित हमारे खेतों में पानी पहुंचाने की अपील की थी। लेकिन आज तक हमारे खेतों में पानी नहीं पहुंचा है। इसलिए इस क्षेत्र के किसान नुरी तरह से परेशान होकर आज सड़कों पर उत्तरे हैं। प्रस्तृत हाणा के माध्यम से हमारी मांग है कि टेल पर स्थित हमारे खेतों के लिए तुरंत सिंचाई पानी की व्यवस्था की जाए। साथ ही उपरोक्त अवैद्य मोगियों के स्वीकृत आकार को पक्की दिवार के माध्यम से ओड़ा जाए लाकि उन्हें अवद्य रूप से बढ़ाया ना जा सके। यदि आगामी 9 अगस्त तक हमारी उपरोक्त मांगे पूरी नहीं की गई तो दिनांक 10 अगस्त 2005 से क्षेत्र के सैंकड़ों किसान ऐलनाबाद के उपमंडल अधिकारी नागरिक कार्यालय के वाहर अनिश्चितकालीन भूख हड़ताल शुरु करेंगे। जिसके लिए प्रशासन जिम्मेदार होगा।

इसलिए आप से निवेदन है कि आप इस मामले में तुरंत कार्यवाही करते हुए हम गरीब किसानों का मांग को गूरा करें। आप की अति कृपा होगी। धन्यवाद सहित।

एस.जी.सी. नहर की टेल पर पानी ना पहुंचने बारे। विषय :-श्रीमान् जी,

निवेदन है कि हम निवासी गांव तलवाड़ा खुर्द तहसील ऐलनाबाद जिला सिरसा के हैं। हमारी नहर एस.जी.सी. में टेल पर पानी नहीं पहुंच रहा है। हम पिछले करीब एक महीने से संघर्ष कर रहे हैं। हम इसके संबंध में महकमे के सभी अधिकारियों से मिल चुके हैं और पत्र के माध्यम से मुख्यमन्त्री तक को सूचित कर चुके हैं। हमने 3 अगस्त 2005 को आपके माध्यम से प्रार्थना की थी। आपके आदेशानुसार नहर महकमे के कार्यकारी अभियन्ता से मिले, उन्होंने कार्यवाही करने का आश्वासन दिलवाया। नहर बन्द करवा दी गई। मोर्गो में साईज डाल दिये गये लेकिन ये सिर्फ दिखावा मात्र थे। नहर छोड़ने के बाद ्लोगों ने फिर से साईल निकाल लिये। यह जो सब अफसरों की मिलीभगत से हो रहा है। लोग सरेआम यह कहते सुने जा सकते हैं कि हमने एस.डी.ओ., एस.जी.सी. को तीन-तीन हजार रूपये प्रति मोगे के दिये हैं। हमारी मोगियां कोई बन्द नहीं कर सकता।

जनाब से प्रार्थना है कि आज दिनांक 13.08.2005 को एस.जी.सी. संघर्ष समिति तलवाड़ा खुर्द ने ओदू वीयर पर खुद आकर चैक किया। एस.जी.सी. कच्ची में वहां मौजूद कर्मचारियों के मुताबिक 379 क्यूसिक पानी और पक्की नहर में 145 क्यूसिक पानी चल रहा था जो कि टेल पर बिल्कुल नहीं है।

जनाब से प्रार्थना है कि यह जो दोनों नहरों में 525क्यू सिक लगभग पानी छोड़ा जा रहा है। एस.जी.सी. संघर्ष समिति तलवाड़ा खुर्द आपसे मांग करती है कि संबंधि ात अधिकारी से इस 525 क्यूसिक पानी का हिसाब मांगा जाये, यदि अधिकारी दोषी पाया जाये तो उसके खिलाफ विभागीय कार्यवाही की जाये। यदि दिनांक 14.08.2005 सांय तक इस पर कोई कार्यवाही नहीं होती है तो एस.जी.सी. संघर्ष समिति दिनांक 15.08.2005 स्वतन्त्रता दिवस को काले दिवस के रूप में मनायेगी और अनिश्चितकालीन भूख हड़ताल पर बैठेगी।

एसजीसी नहर की टेल पर पानी ना पहुंचने बारे। विषय :

श्रीमान जी.

निवेदन है कि हम तलवाड़ाखुर्द तहसील ऐलनाबाद के निवासी हैं। हमारी एसजीसी नहर के टेल पर पिछले कई सालों से पानी नहीं पहुंच रहा है जिसके लिए हम लगातार संघर्ष करते आ रहे हैं। जिसके तहत विभागीय उच्चिधकारियों से लेकर प्रदेश के माननीय मुख्यमंत्री तक को पत्रों व व्यक्तिगत तौर पर मिलकर सूचित कर चुके हैं। गत 3 अगस्त 2005 को हमने आपके माध्यम से उक्त नहर की टेल पर पानी पहुंचाने की प्रार्थना की थी। आपके आदेशानुसार हम लोग सिंचाई विभाग के कार्यकारी अभियंता से मिले। उन्होंने भी इस दिशा में शीघ्र कार्यवाही करने का आश्वासन दिया। नहर में लगी अवैद्य मोघियों के साईज दुरुस्त करवाने के लिए उक्त नहर को बंद करवाया गया और अवैद्य रूप से चल रही-मोघियों के साईज भी सही करवाए गए। लेकिन ये कार्यवाही सिर्फ दिखावा मात्र साबित हुई। एसजीसी नहर में पानी छोड़ने के तुरंत बाद ही प्रभावशाली किसानों ने विभागीय उच्चाधिकारियों से मिलीभगती कर एक बार पुनः अपनी अवैद्य मोघियां शुरु कर दी। इस क्षेत्र में अवैद्य मोघियां चलाने वाले प्रभावशाली किसान सरेआम यह कहते सुने जा सकते हैं कि हमने प्रति मोघी के तीन-तीन हजार रुपये बतौर रिश्वत विभाग के अधिकारियों को दिए हैं। इसिलए हमारी मोघियों को कोई बंद नहीं करवा सकता।

श्री मान जी से निवेदन है कि गत 13 अगस्त 2005 को एसजीसी संघर्ष समिति तलवाड़ाखुर्द ने उक्त नहर की टेल से लेकर ओटू वीयर तक आकर स्वयं मौके का मुआयना किया। इस सारी कार्यवाही को एनआरआई टीवी चैनल की टीम के साथ फिल्मांकन भी किया। इस मौके पर विभाग के कर्मचारियों ने टेल पर पक्की नहर में पानी एक फुट तथा कच्ची नहर में पानी निल बताया है। जबकि दूसरी ओर ओटू वीयर पर विभाग के कंट्रोल रूम में बैठे अधिकारियों ने दोनों नहरों में करीब 529 क्यूसिक पानी चलना बताया है।

श्रीमान जी से निवेदन है कि विभागीय अधिकारियों-कर्मचारियों के अनुसार उक्त दोनो नहरों में लगभग 525 क्यूसिक पानी छोड़ा जा रहा है लेकिन टेल पर स्थित हमारे खेतों में पानी नहीं पहुंच रहा। एस जी सी संघर्ष समिति तलवाडाखर्द आपसे मांग करती है कि संबंधित अधिकारियों से इस 525 क्यूसिक पानी का हिसाब मांगा जाए। इस मामले में दोषी पाए जाने वाले अधिकारियों के खिलाफ उचित विभागीय कार्यवाही की जाए। इसके लिए संघर्ष समिति ने 14 अगस्त 2005 को शाम तक का समय देकर आज 15 अगस्त 2005 से अनिश्चितकालीन भूखहड़ताल शुरु करने का अल्टीमेटम विभाग को दिया था। लेकिन राष्ट्रीय पर्व का सम्मान करते हुए उक्त अनिश्चितकालीन भूखहड़ताल को स्थगित कर दिया है।

श्रीमान जी समिति आप से पुनः निवेदन करती है कि आगामी 16 अगस्त 2005 शाम तक हमारी उपरोक्त मांगों को नहीं माना गया तो एसजीसी संघर्ष समिति आगामी 17 अगस्त 2005 को प्रातः अनिश्चितकालीन भूखहड़ताल शुरु करेंगे। इस संबंध में सभी जिम्मेदारियां प्रशासन की होगी कि इस ओर तुरंत ध्यान दें। आप की अति कृपा होगी।

धन्यवाद सहित।

विषय:- नहर की सफाई व आर.जी. मोगों के साईज सही करने बारे।

श्रीमान् जी,

निवेदन यह है कि एस.जी.सी. कच्ची नहर में काफी घासफूस व जंगली वृक्ष उग चुके हैं। जिसके चलते नहर में से टेल तक पानी पंहुच पाना नामुमिकन है और नहर में जो आर जी. मोगियां लगती है। उनके भी साईज ओवर साईज हैं। यह आर जी. मोगियां नहर के लेवल से काफी गहरी दबाई गई हैं।

अतः आपसे प्रार्थना है कि इन मोगियों को नहर के लेवल के मुताबिक दबवाया जाए और इनके साईज सही साईज के मुताबिक किए जाएं और नहर की सफाई करवाई जाए ताकि फल्ड का पानी कच्ची नहर में इलाके के किसानों के हित में टेल तक पहुच सके यदि समय रहते विभाग ने इस ओर ध्यान ना दिया तो टेल के किसानों को फल्ड के प्रानी से वंचित रहना पड़ेगा।

अतः आपसे पुनः अनुरोध है कि किसानों की उपरोक्त समस्याओं का समाधान जल्द से जल्द करवाया जावे।

आपकी अति कृपा होगी।

सिरसा जिला में किशनपुरा भाईनर से लगातार हो रही पानी चोरी को रोक कर उसकी टेल तक पानी पहुंचाए जाने बारे।

गान्यवर,

निवदेन है कि हम सभी प्रार्थी दक्षिणी घग्घर कैनाल एसजीसी से निकलने वाली किशनपुर माईनर की टेल पर स्थित खेतों के किसान हैं। इस माईनर की काफी दिनों से साफ सफाई नहीं की गई थी। हमने बार-बार अधिकारियों से मिलकर इसकी सफाई करवाने की मांग की लेकिन किसी ने इस ओर ध्यान नहीं दिया। जिसके बाद हम सभी किसानों ने मिलकर स्वयं इस पूरे माईनर की सफाई की और पानी को टेल तक पहुंचाया।

श्रीमानजी, इस माईनर में विभाग की ओर से ढाई से तीन इंच की मोघियां मंजूरशुदा है लेकिन कुछ प्रभावशाली लोगों ने माईनर में 6-8 इंच की मोघियां लगा कर पानी की चोरी कर रहे हैं। जिससे टेल के किसानों को पानी नहीं मिल रहा है वहीं सरकार को भी राजस्व की चोरी हो रही है। ओटू इंड से अगर 500 क्यूसेक भी पानी चलाया जाए तो हमारी टेल तक पानी पहुंच जाता है लेकिन वर्तमान में 800 क्यूसेक पानी चल रहा होने के बावजूद भी देल तक पानी नहीं पहुंच रहा है। माईनर की हालात खस्ता है तथा यह कभी भी ओवर पत्नों होकर दूट सकती है।

श्रीमानजी, यहां के एक किन्छ अभियता श्री कालड़ा कुछ प्रभावशाली किसानों से मिलकर पानी की चोरी करवा रहे हैं तथा गरीब किसानों की सुनवाई नहीं कर रही है। जिस्स्रे सिंचाई पानी के अभाव में हमारी फसलें नष्ट हो रही है। फसलों को बचाने के लिए किसानों को महरो भाव का डीजल जलाना पड़ रहा है।

इस संबंध में हमने स्थानीय एवं जिला अधिकारियों से बार-बार मिलकर इस समस्या से अवगत करवाया है लेकिन कोई भी अधिकारी और कर्मचारी हमारी समस्या की ओर ध्यान नहीं दे रहा है। आप से निवेदन है कि आप इस मामले की विजिलैंस से इंक्नायरी करवाकर पीड़ित किसानों की सुध लें और इस टेल तक पानी पहुंचाएं। आप की आठ करपा होगी। धन्यवाट सहित।

विषय:-- एस.जी.सी. नहर की टेल का पानी जोरी करताने वाले नहर विभाग के एक्सईन व एस.डी.ओ. के खिलाफ विभागिय कार्यवाही करने बारे।

श्री भान जी,

निवेदन है हम गांव जलवाड़ा खुर्द तह0 ऐलनाबाद जिला सिरसा के निवासी है। और आप से प्रार्थना करते हैं कि हमारे गांव में जो एस.जी.सी. नहर है उसके पानी से हमारे गांव के खेतों की सिंचाई होती है। और इस बार पीछे पानी होने के बावजूद भी हमें पानी नहीं मिल रहा है और इससे पहले भी जब 25.06.2013 को पानी आया था तो तब भी पानी हमारी गांव की टेल तक नहीं पहुंचा इसकी वजह यह है कि उवत दोषी कर्मचारी पीछे आर.जी. मोगियों ओवरसाईज खुलावाकर पानी को बेच दिया है और अभी तक येच रहे है। जिस वजह से हमारे खेतों को पानी नहीं मिल गा रहा है। इस बारे इसने पहले भी विभाग में शिकायत की है पर अब तक कोई कार्यवाही नहीं हुई है। टेल 100380 पर जो किसानों का रकबा है। वो फसलें नष्ट हो रही है। जिसके की दोषी एक्ईन व एस.डी.ओ. है। उवत दोषीयों के खिलाफ कार्यवाही करके हमें फसलें जो भी नष्ट हुई है। उनका मुआवजा विलवाया जावे नहीं तो हम अदोलन करेगें जिसका जिम्मेवार प्रशासन होगा।

अतः आप से नम्र निवेदन है कि उबत दोषीयों के खिलाफ कार्यवाही की जाकर हमें मुआवजा दिलवाया जावे। और नहर में पानी चोरी का सिलसिला बन्द करवाया जावे। आपकी अति कृपा होगी।

विषय:- एस.जी.सी. नहर में लग रहे अवैध मोगो एवं पानी की चोरी रोकने बारे।

श्रीमान् जी,

उपरोक्त विषय के सम्बन्ध में निवेदन है कि प्रार्थी वाक्यां गांव तलवाड़ाखुर्द, तहसील ऐलनाबाद जिला सिरसा का निवासी है। प्रार्थी का रकबा मोगा न. 100380-टेल एस.जी.सी. पर पड़ता है। प्रार्थी की समस्या यह है कि पिछले कई सालों से हमारी इस टेल पर बहुत ही कम पानी रहता है। जिससे हमारी फरालों को काफी वर्षों से पूरा पानी नहीं मिल पा रहा है। इस बारे में कई बार सिंचाई विभाग को मौखिक रूप से एवं लिखित रूप से कहा गया है, परन्तु सम्बन्धित फील्ड स्टाफ एवं कार्यकारी जिनेयन्ता एवं एत.डी.डो. सभी इस बौटाले में मिले हुए हैं। वदोंदिर उन्हें हमारी टेल पर कभी भी कम पानी नहीं दिखाई देता। जो किसान, बेलदार, जे.ई., एस.डी.ओ. एवं एक्सीयन की जेबें गर्म कर देते हैं, उन्हें किसी प्रकार की पानी की कमी नहीं रहती। उदाहरण के तौर पर हमारे गांव से पहले गांव हिमायुखेड़ा, मौजूखेड़ा, प्रतापनगर, बुढीमेडी, अमृतसर खुंह, मौजू की ढाणी इत्यादि गांवों में दो-दो नहरों का पानी लगता है। जिसमें इन गांवों के क़िभानों को दो नहरों का एक-एक मोगा और एक-एक अवैध मोगा अधिकारियों की शह पर लगा रखा है, जिसका सारा खामियाजा हमें कम पानी के रूप में भुगतना पड़ता है और हमारी पैदावार एवं आय कम हो रही है और इस नहर पर तैनात सभी अधिकारियों ने भ्रष्टाचार फैलाकर अपने जेबे गर्म कर ली है, पहले भी इस समस्या बारे हमने कई बार धरने दिये परन्तु सिंचाई विभाग के अधिकारी पैसों के लालच में अंधे हो नुके हैं। जिसकी खुली जांच होने पर चौंकाने वाले तथ्य सामने आ सकते हैं। इ अलिए आपसे प्रार्थना है कि इस मामले को गंभीरता से डील करते हुए तुरन्त प्रभाव से एक्शन लेवें अनाथा हम टेल वालें किसानों में इतना ज्यादा रोष है

acarted Navans कि भविष्य में किसी भी तरह के गंभीर परिणाम सामने आ सकते हैं, जिसकी जिम्मेवारी अपने कार्य सही ढंग से करने में फेल हुए कर्मचारी/अधिकारियों की होगी। तुरन्त कार्यवाही न होने की सूरत में मैं कल आपके कार्यालय के बाहर मरण-व्रत खूंगा और मुझे जन-माल की कोई हानि हुई थी तो इसकी जिम्मेवारी निजि रूप से आपकी स्वयं की होगी।

विषय— दक्षिण घग्घर नहर कच्ची व पक्की में टेल पर पानी पहुंचाये जाने बारे। श्रीमान जी ,

निवेदन है कि गांव तलवाडाखुर्द जिला सिरसा में लंबे समय से दोनो उपरोक्त नहरों कच्ची व पक्की , टेल पर पानी नहीं पहुंच रहा है। जिसके संबंध में गांववासीयों ने समय समय पर मांग पत्रों, धरने प्रदर्शनों के माध्यम से अपनी बात को प्रशासन व सरकार तक पहुंचाया लेकिन अभी तक हमारी उपरोक्त समस्या का कोई हल ना निकाला गया है। नहरों में क्षमता से ज्यादा पानी छोड़ने के बावजूद भी टेल पर पानी नहीं पहुंचता है। पानी ना पहुंचने का मुख्य कारण मुख्य भाखड़ा नहर पंजुआना से ओटू तक और उपरोक्त दोना नहरों में चलने वाले अवैध मोगे व पाईपे हैं। जो सिंचाई विभाग प्रशासन की मिली भगत से चलते हैं।

अत आपसे निवेदन है कि उपरोक्त अवैध मोगो की जांच की जावे ताकि हमारे तक पानी पहुंचना सुनिश्चत हो सके।
